Although the weather was a bit unpredictable in the days leading up to the Jubilee Fete, we were very lucky on the day, apart from a heavy shower at 7.30 am when we were setting up!

There was an excellent array of stalls, with the Bottle Stall selling out very quickly. Residents were very generous with the prizes they sent for the raffle and the tombola which were both very well supported. There were also lots of donations for the plant stall, so I know some of

you are keen gardeners!

Many thanks to those kind people who organized the children's games and the fancy dress competition, I know all the youngsters enjoyed themselves.

We were very pleased that a group of local children got together and organized a stall to raise funds for Ryedale Special Families and many thanks to the parents who helped.

The cream teas were very popular and I know the helpers were kept on the go all afternoon – big thanks to Rachel Liversedge for her wonderful scones and cakes, as well as to all the helpers.

At the end of the day we had made approximately £370 profit which will help fund Bonfire Night and Fireworks, as well as ensuring the village newsletter can continue.

This was an excellent community event and I was very pleased to see some new faces coming

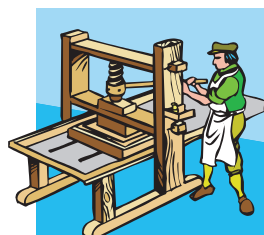

along to be involved, before long we will be planning the Bonfire Night and Fireworks event, with Barbecue. We will definitely need some more helpers for this, especially barbecue cooks and someone to take the money! Please, please get in touch with me after the Summer (what Summer?) we have a meeting early in September so need to know there will be some support.

Well done everybody and many, many thanks

Overflowing Drains and Sewers

Once again during heavy rain we have suffered the sight and stench of sewerage running down West Street, East Street and Low lane as manhole cov-

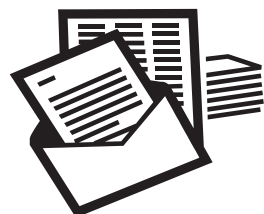

ers are displaced by the backing up of the sewer system.

To increase the pressure on Yorkshire Water Board to carry out a permanent solution we all need to report any event and get a reference number. This is

the only way to ensure an up to date record of the problems are fully recorded on their system. Therefore ring the following Telephone number to report any incidents. **0845 124 24 24**

Just seen two full ones left in the cut out in Middle Street and keep finding them hanging on my trees off the lane between Middle Street and East Street. There are bins nearby, so no need for this.

This also applies to Low Lane and the Path from Low lane to

Children In Danger

An increased number of Residents have raised their concerns about Children playing on Scooters and Bicycles on the roads in the village. In a increasing trend we are seeing young children rush out from side roads and driveways without any concern for the possibility of vehicles on the road. There have been a number of near misses between children and vehicles. If this continues it is only a matter of time before we have a serious accident involving a child and a moving vehicle. No one wishes to stop children playing, but parents please ensure your child is aware of the dangers involved in this activity. Names Supplied.

Any More For The safari Supper?

On Saturday, 1st September, some of us will be getting together for a meal with a difference and we'd be happy for others to join us.

A Safari Supper involves people consuming different courses at different houses. This can be great fun but needs some prior organisation so we will need to know well in advance who will be coming.

People providing courses (it need not be everyone) keep a note of food costs which at the end get totalled up and divided so everyone pays an equal share towards his or her meal.

If you live in Swinton and think you might like to participate, please phone Josie on 01653 696748 by 18th August.

Swinton Village Action Group Open Gardens 2013

Jon Bentley and we thank them very much. We also thank Mandy Cuthbertson for painting the door. It has been a busy time and we really appreciate the effort and help from residents in the village. Glyn Wild has bought and planted a crab apple tree at the bottom of Grange Lane next to the new bench which is a popular place for walkers taking a break and sometimes having a picnic. We appreciate your generosity Glyn. The next task will be bulb planting in the autumn, time flies when you are having fun. Finally whilst not part of Swinton in Bloom but certainly a big improvement in the village I would like to thank Mark Raistrick and Paul Cuthbertson

I have had some interest from residents in holding an Open Gardens event next year.

As I said in the last newsletter if you would like to be involved, please get in touch with me and I'll arrange a meeting where we can get together and decide on dates etc.

We haven't got a date for this yet, but it would probably be between May and July next year.

It doesn't matter whether your garden is large or small, the more variety the better – any funds raised could go towards the Swinton in Bloom project if people agreed to this.

Get gardening!!

Swinton In Bloom

The current programme is almost complete. The grant awarded by The Howardian Hills Area of Outstanding Natural Beauty has been spent as well as money from the Swinton in Bloom Group. It was difficult at times to get all the necessary permissions but judging from all the favourable comments from the village and further afield it has all been worthwhile. The final stage is almost complete. The blacksmith's tools have been mounted on a newly painted white door at the side of Bob's shop and all that remains is for the anvil to be securely sited. This task is in the capable hands of Paul Cuthbertson and

Jon Bentley and we thank them very much. We also thank Mandy Cuthbertson for painting the door. It has been a busy time and we really appreciate the effort and help from residents in the village. L.E.T.S

OUR LOCAL L.E.T.S. SCHEME

L.E.T.S

L.E.T.S. stands for Local Exchange Trading Scheme. There's one in Ryedale and in most areas of the country. You could call it a sophisticated barter scheme. Members exchange goods and services for payment in special cheques of a local currency, e.g. the Ryedale system uses "Ryes" and the York system uses "Yorkies" and these are roughly equivalent to a pound Sterling.

It's a good way to use skills or acquire newly made or second hand goods. Or dispose of unwanted items. You meet people too that you probably wouldn't otherwise. People

can trade by approaching one another directly (if there is a specific want or need) or by getting together at special trading sessions every so often, usually in members' own homes.

A transaction does not need to be a straight swap between two people because LETS accounts are kept and statements sent out to each member. You just write out a LETS cheque for whatever goods and services you are buying from another member and it is debited from your account. If you are the member doing the selling, it is credited to your account. From the Ryedale scheme you could acquire, for example, home baked cakes, organic

vegetables, plants. Or if you are looking for services – odd jobs, decorating, help with family history. These are just examples. A directory is published listing people's different offers and wants. The more people join us and trade, the bigger the range of goods and services on offer.

There are two members in Swinton who regularly produce and sell home made jams, sauces, marmalades and chutneys and who can produce mosaics to order.

If you have further queries or think you would like to join Ryedale L.E.T.S, call Keith Dowell on 01751 432369. Visit the National Web Page. <http://www.letslinkuk.net/>

What's been happening at the local pub?

Follow Us On Facebook

<http://www.facebook.com/talon1664>

We have had a very hectic time with the Queen's Jubilee Celebrations and Euro 2012. We held a Royal His and Her Royal Highness Competition which saw Judith and Richard being crowned King and Queen with Irene and Peter coming a close second and crowned as Prince and Princess! Thanks to all who either took part or who supported the event. On the Sunday we held kiddies drawing, baking and crown making competitions unfortunately support was poor but those children who did enter presented us with excellent entries and received book tokens and sweets as prizes. I understand the Jubilee fete was well attended at the Sports Centre (Taff got roped into judging fancy dress and worried he may have offended parents, so

pleased I was busy at the pub and couldn't attend!!!). We held karaoke that night as requested and had a great night with lots of tourists joining in the fun. Euro 2012 proved to be lots of fun with spot prizes up for grabs and burger and beer for just £3.95, again thanks to all who joined in the fun and bad luck England better luck in the Olympics!!! Talking of which we are holding bar Olympics competitions along with spot prizes and sweepstakes ect. We closed the pub for a week and went on our hols, had a lovely time in Turkey and what I think was a well deserved rest ready for the Summer(!) season. We now open Monday to Thursday 12noon to 2.30pm and 5pm to 11pm then all day Friday, Saturday and Sunday. The BIG breaking news is that Marie Grainger is now back on board as pub chef! Those of

you who know the pub well will remember Marie from her time with us before she joined us in 2005 only leaving when she had a baby and then returned until we left in 2010. Our next big event is Greek night to be held on Friday 27 July in recognition of the opening ceremony of the Olympics the meal is pre-bookable at only £17.95 for 3 courses and tables are selling fast so book early to guarantee your place.

I am keen to make use of my recently acquired piano so if you are up for playing it and hosting a good old fashioned sing song on a Friday or Saturday evening please call me on 01653 693629. Watch the boards and posters outside for forthcoming events. I have quite a few plans in the beerline (!) Hope to see you soon. Lynn

The Street Parishes

Jubilee, the picnic planned after the service at Appleton church on the Sunday could not go ahead in the churchyard, unfortunately, due to the weather but we enjoyed the Jubilee themed food and a chocolate game inside church. Happily the Swinton fete on Monday was a much drier and sunnier occasion. The church stall was overwhelmed by the number of cakes and we are very grateful to all the bakers of Swinton who supplied many of them.

Thank you all very much. £160.86 was raised.

Ceilidh. As Revd. Beryl Bowes is retiring this autumn we felt we would like to have a community event to mark the end of her ministry in The Street Parishes, so we are organising a ceilidh to which all are invited. It will be at Amotherby Village Hall on Saturday 8 September, 7.00 for 7.30pm until 11.00pm, with a live band. There will be no entry charge but we will be asking

for donations to be divided between the church and a children's charity, and for people to bring a bottle and a plate of food for the Bring and Share buffet. All ages welcome! Please come along and join in the fun.

Farewell Benefice Service. Beryl will hold her final service in The Street on 14 October at 10.30am at All Saints' Church Slingsby. A lunch in Slingsby Village Hall will follow. All ages very welcome

Cold Callers Offering Gardening Services

Cold callers have attended a property in Scarborough offering gardening services and before estimate given the work was carried out and a large fee charged. This is a warning advising people not to deal with doorstep callers and to call the police if concerned.

No Cold Calling Zone Information.
North Yorkshire County Council Trading Standards.
In March this year the Execu-

tive committee agreed prioritisation criteria for setting up a zone based on a point scoring system based on the following:
. Whether a doorstep crime incident has occurred. Whether the zone has a local councillor support . Whether there is a local person who is willing to act as liaison . % of residents aged over 65 . The size of the proposed zone . Type of housing, for example bungalows, sheltered housing etc. . Police crime figures . Prevalence of cold calling . The reason for the request In addition to this it was also agreed to amend the policy which used to require 100% support from residents in a zone to 75%. Also we have designed new stickers. If you

Gardening Calendar July – August

July sees the flower garden out in force. Containers and hanging baskets are in their prime and perennials are covered in blooms.

Fruit & Vegetables

Lift new potatoes
Increase watering and feeding of crops in containers such as tomatoes.

Pinch out outdoor tomatoes when 4 trusses have formed. Keep the fruit garden well weeded so that the weeds do

not compete with your plants for vital moisture and nutrients. Clear crops that have come to an end.

Lift onions and dry on rack. Continue to harvest vegetables such as peas and runner beans. Harvest first apples and pears if ready.

Propagate new strawberry plants by selecting runners. Continue to tie in and support tomato plants, peppers, cucumbers, aubergines and melons as they develop, especially as fruit starts to swell or they will quickly topple over and be damaged.

Jobs Around the Garden

Trees that have been recently planted, even up to two years ago, need careful attention if the weather is hot and dry. Deadhead flowers as they fade to encourage more flower growth.

Keep feeding your container

plants
Keep your lawn looking great by feeding
Check slug protection and re-apply if necessary
Keep feeding your container plants

Use water wisely, consider setting up a water butt.
Prepare your pots and containers well in advance if you are planning a holiday.
Prune late summer flowering shrubs after flowering.
Prune Wisteria now to encourage the development of new flowering spurs for next year's display of flowers.

Keep an eye on any new plants in the garden and be sure to water them if the weather is dry.

Rainfall.

May 51 mls

June a whopping 120 mls

Table Tennis

The 2011/2012 York & District Table Tennis League season has once again been dominated by Coneysthorpe "A" who, along with their "B" team colleagues, play their home matches at Swinton Reading Room.

For the third season in succession Coneysthorpe "A" were Division 1 champions, winning all their eighteen matches.

Their regular team consisted of Martin Lowe, who remained undefeated from his 45 sets,

Ashley Hodgson, who lost just two sets out of 39, and Joel Wright with a most credible 40 wins out of 48 sets.

The Coneysthorpe "A" team of Martin Lowe, his son Ethan, and club stalwart Mike Fenby, retained the Shepherd Handicap Trophy, defeating Crescent WMC B 6-1 in the final played at the York Railway Institute.

Coneysthorpe "B", also members of Division 1, finished in sixth position out of ten, man-

aging to avoid the dreaded third from bottom position by eight points which would have meant a play off against the extremely strong Division 2 champions, University "A". Top performers were Ian Stansfield (73.8% success rate), and Chris Londesbrough (56.2%).

A distance of approx 50 meters to cover, this will mean about fifty trees. Whilst speaking to a local member of the public it was suggested that we ask for vol-

unteers to sponsor a Tree.

If required Names would be displayed in the Sports Centre. The cost of one tree would be between £5.00 and £10.00.

I will start the fund with £10.00. If you are interested in helping please contact:- Matt Fenwick. East Street. Tel 01653 694640
