Swinton and District Excelsior Band began when, after a successful series of impromptu sessions, playing Christmas music in local public houses, six local men decided to set up a permanent band. They did this early in 1936, meet-ing each week in the unused Methodist

The band in 1936 (photography by Massers)

Chapel at Swinton, the large, stone rectangular shaped building in Middle Street now known as "The Band Room". They were soon joined by new playing members and learners. By 1938 the band had about twenty playing members. Learners came to practice half an hour before the official starting time and were allowed to stay on with the band when good enough.

In the beginning the "band room" had no electric light and practices during the winter months were lit by candles in bottles on tables. Enthusiasm grew to such an extent that extra learning sessions and practices took place at some of the members' homes. The band at this time supported local events and fund raising activities. They would play some of the well-known "standard" brass band pieces in addition to marches, hymns and dance music. In

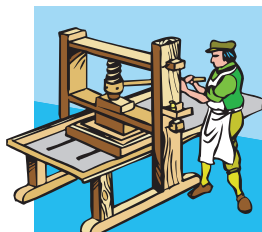

1938 the band entered its first contest and played at Pickering in the Douthwaite Dale Competition for the "Jingling Johnny" Trophy.

As one might expect, the outbreak of the Second World War in 1939 brought about many changes. Members of the band left as they were called up for service, but the band still continued. Within weeks of the outbreak of war the bandroom was requisitioned as an official billet for the army and the band members were given two days notice to clear out all their equipment. Colonel Behrens came to the rescue and allowed the band to use a cowshed on the Broughton Road for practices. This became the base for the band for all the war years and about two years afterwards as well. After the war the band was allowed to move back into the bandroom but the local church decided to sell the property. Col. Behrens came to the rescue, and purchased the building for the band and since this time the band has enjoyed a permanent and secure base thanks to Col. Behrens' generous intervention.

A 75th Birthday Concert was held on Saturday 28th May in the BSA Centre, which was attended by over 100 members of the public and 60 band personnel.

### Parish Events.

Some of the ongoing negative comments I hear about Parish events are as follows.

1. Not my type of event.
2. Clashes with another event on the same day.
3. Not spread out over the Months, all scheduled over the same weekend.
4. Its Just for Children, what about the Teenagers and Adults?
5. Its the same people organising, why cant I organise an event?

The positive comments range from fantastic to we must do it again.

So taking each comment I will try to give some guidance.

All replies please via the newsletter email.

1. What type of events do you want?
2. The parish web site and newsletter can be used to notify organisers of any planned events.
3. Forward planning at the start of the year under a Parish Events Group could resolve this.
4. Events so far have been organised by Family Groups who wanted Children's participation, So if you want an event geared to a different group then its up that group to come forward with the ideas. I am sure full support and assistance would be available.
5. Anyone can organise an event, If you have an idea and are willing to give your time to organise the event, I am confident others will join in and

help.

Sending an Email to the newsletter with ideas and dates, will ensure your idea is circulated to Parish Council Members and Parish Steering Group members.

## Digital TV Switchover

Television in Yorkshire is going digital! The digital TV switchover is starting in Yorkshire from 3 August 2011.

Analogue TV signals will be turned off and Freeview services boosted to reach all areas. After switchover, virtually all homes will be able to receive digital TV free via an aerial, including those served by local relay transmitters. When you switch depends on which transmitter your TV gets its signal from.

### Swinton Viewers.

Bilsdale in the Tyne Tees TV region switches in 2012. The Oliver's Mount transmitter and its 1 relay switch to digital

in two stages on 03 Aug 2011 and 17 Aug 2011.

Depending on your existing Aerial you may not need a new one.

[Check Your Aerial Requirements](#)

**What do you need to do?** If you have Freeview, Top Up TV or BT Vision, you will need to retune your digital TV or box at switchover or you will lose channels. Switchover is a two-stage process and you need to retune at both stages.

If you have 5 channels or fewer (i.e. analogue TV) on any of your sets, you will need to convert them to digital.

If you're 75 and over, or eligi-

ble disabled, call the Switchover Help Scheme - they can provide everything you need to keep watching your TV.

### Switchover Advice Point

Ryedale Voluntary Action is running an advice point on switchover days in September (7<sup>th</sup>, 8<sup>th</sup>, 21<sup>st</sup>, 22<sup>nd</sup>) at the Milton Rooms, Malton from 10am to 4pm. Drop in during those times for information and advice. ### Swinton Horticultural Society

A big thank you to all the local people who supported our plant and cake sale.

We made £100 towards the two shows. This money is most important as it ensures the prize money which is our biggest outlay.

Our funds which we raise through Car boot sales and Bingo nights during the winter always require a booster to help us along.

Schedules for the shows are available from Ann Stead Hill View Swinton.

Telephone: 01653 694663

### Blacksmith Arms Children's' Disco

The landlady of the Blacksmith Arms, Jill, very kindly organized a Children's' Disco on May Bank Holiday Saturday.

Although it was not very well attended the children who came really enjoyed the party games, disco and a Treasure Hunt devised by John Coffey.

There was also lots of lovely things to eat, beef burgers and hot dogs being the favourites.

Big thanks to Jill and her team for putting on this event

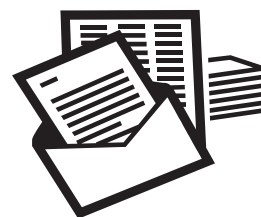

Well done Jill!

Roy entering into the spirit of the day.

Even the grown ups enjoyed Pass the Parcel!

## Swinton Through The Census 1861

### 1861 Census for Swinton

The census was taken on the night of 7 April 1861 and the total population for the country was given as 20,066,000. There were 96 households in Swinton, 11 more than in 1851 and a population of 182 males, 3 fewer than in 1851 and 199 females, 5 more than in 1851. Unfortunately, only a handful of addresses were noted i.e. Gate House, Swinton Grange, Tricka Castle, Sparrow Hall, Swinton Cottage, Primitive Chapel, Gocer's shop, Infant School and Blacksmith's Arms. All other addresses were noted simply as Swinton.

The first five names listed- Gate House to Swinton Grange are close to each other in the schedule. Tricka Castle seems now to be called Trigger Castle, the census enumerator possibly mishearing rather than misspelling the name and Sparrow Hall is now Close Farm.

Swinton Cottage is now Close

Farm?

The Primitive Chapel building, dating from 1816, is now the Band Room and living one side of it in 1861 was James Rapp. He was 54, a woodman born in Norton and he lived with his wife Hannah and three children.

On the other side lived James Cooper 73, unmarried, living alone and a labourer born in Appleton-le-Street.

Thomas Mallinson was at the Grocer's shop and listed close by on the census sheets were the Infant school and the Blacksmith's Arms, where George Mallinson, 71 was still the Innkeeper.

No-one was living at the school but there was an Infant school mistress living in the village. She was Elizabeth Gill, 24, married with a son William, 2. Both were born in Douglas, Isle of Man. Her husband is not listed with her but he may be William Gill

who was living as a groom in Newbiggin.

This is the first time a school and school teacher have been mentioned in a Swinton census. Does any reader have any information about the school e.g. where it was located and when it opened/closed? The historical maps show a School in the area of the reading rooms.

Most of the residents of Swinton at this time were from Yorkshire but others were born in Durham, Lincolnshire, Worcestershire, Westmorland Kent, Nottingham and as already mentioned, Isle of Man.

## *Parish Council Minutes Held on Wednesday 4th May 2011*

The following is a brief synopsis of the Swinton Parish Council Meeting held on Wednesday 6th July 2011, 7pm in The Reading Rooms, Swinton.

Present: Cllr P Powell (Chair)

Cllr M Fenwick, Cllr Mrs V Farrow

Cllr P Cuthbertson, Gail Snowden (Clerk)

Cllr M Raistrick

Apologies for Absence. Cllr G Scott

### **Matters Arising.**

Rural Action Yorkshire – Participatory Budgeting.

The £2,000 funding has now arrived for the play equipment. A letter of thanks has been received from Sheena Spence, Chief Officer of Yorkshire Local Councils Association date 1 June 2011 regarding the Participatory Budgeting.

### **Highways**

ACTION: Clerk to obtain cleaning equipment from Highways to clean the village signs.

### **Manhole.**

A copy of the original letter was received from Yorkshire Water dated 29 June explaining that they had arranged for Lumsden & Carroll to carry out an investigation in to the odours coming from the manhole. They visited the location on 5 April 2011 and their feedback states that there was evidence that the manhole had backed up but was not backed up at the time of the visit. They have cleaned the head of the manhole out, and have jetted both upstream and downstream to make sure that the sewer is running clear. They reported that was running fine.

ACTION: Clerk to send a reply letter stating that the main complaint from the Parish Council was regarding the odour and that could they confirm that the manhole lid is properly fitted and sealed. Also confirm that the Councillors are available to assist with this matter on site and give them the contact details.

ACTION: Clerk to copy the letter to RDC Environmental Health.

## *Police Box. Community Police News*

The following articles have been sourced from NYP Community Messaging.

### **Neighbourhood & Home Watch Network**

If you would like to keep up to date by receiving the Neighbourhood & Home Watch Network e-newsletter, please go to

[www.ourwatch.org.uk/](http://www.ourwatch.org.uk/)

### **Nominated Neighbour Scheme**

Help put a stop to bogus callers and unwanted visitors and feel safer in your home by joining a Nominated Neighbour Scheme.

The scheme seeks the help of neighbours or relatives to check whether unexpected callers are genuine, especially those calling on more vulnerable members of the community.

North Yorkshire Police have developed a Nominated Neighbour pack that can be downloaded from <http://www.northyorkshire.police.uk/neighbour> and printed or electronically distributed to those who the scheme would be beneficial to. If you are unable to access the download you may request a printed pack from your local Safer Neighbourhood Team. The pack contains a card to hold up to the window or door telling the caller that they are not recognised and to go to the Nominated Neighbour. That person will then try to check the caller's identity. A genuine caller will not mind following the instructions on the card.

### **How do I find a Nominated Neighbour?**

The Police do not organise the nominated neighbours. It is for an individual to make private

arrangements with a trusted neighbour or family member, or perhaps NHW Coordinator or Housing Warden who lives nearby to be your Nominated Neighbour.

Ask if they will be prepared to help you check the identity of any unrecognised callers to your home and if they would be willing to accompany them while they speak to you. The pack contains a 'You are my Nominated Neighbour' form that can be given to them. We hope that you find this scheme of interest either to yourself or others within your scheme or community and that you find the pack of use.

### **High Pressure Sales**

Recent high pressure telephone sales from a company alleging to be from Sky. Ryedale Police would again like to remind all residents not to give out personal bank details over the phone.

### **Cold Callers**

Detectives are warning elderly people and their relatives that criminals posing as water board officials are operating in North Yorkshire. A man called at the house of a 91-year-old woman in Eggborough claiming to be from the water board.

The woman let him inside her property and later realised cash and keys had been stolen.

### **Metal thefts**

There have been further thefts of metal. Will all householders please be vigilant, secure any garden ornaments and equipment, security mark them where possible. On rural farms please ensure all metal products and equipment are secure. report any suspicious activity to 0845 6060 247.

### **Possible Bogus Big Issue Seller.**

Police are making investigations to trace a thief who poses as a Big Issue salesman. Thefts of mobile phone/money occurred on 080711 from estate agents in Pickering and Filey and a public house in Scarborough, he also stole a gold ring from a customer at a shop in Whitby. The suspect walked into each of the businesses carrying a number of Big Issue magazines which he claimed to be selling. He placed the magazines over the unattended items or used them to distract people in the premises before stealing phones and cash. The offender, who is aged in his late 20s to mid 30s, is around 5ft 6in tall with a thin build, short black hair and a dark skin tone. At the time of the offences he was wearing a black raincoat or jacket over a white tee-shirt. The man who carried out these thefts is suspected of committing similar offences in York, Harrogate and Ripon. Any info please ring the police. It is not believed that the man is a genuine Big Issue rep as he does not have any id. Please note the Big Issue workers are based on the street and do not enter commercial premises to offer the magazine for sale.

## *Swinton And District Horticultural Society*

August sees a slight ease up of jobs to do in the garden which is great timing and gives you a chance to sit back and enjoy the results of your efforts over the last few months.

Continue feeding and watering pots, containers and vegetable and harvesting your crops as and when they are ready.

### **Fruit & Vegetables**

Lift onions and dry on rack.

Continue to harvest veg such as peas and runner beans.

Harvest first apples and pears if ready.

Propagate new strawberry plants by selecting runners.

Continue to tie in and support tomato plants, peppers, cucumbers, aubergines and melons as they develop, especially as fruit starts to swell or they will quickly topple over and be damaged

Water and feed tomatoes.

Protect salad plants from slugs and snails.

### **Jobs Around the Garden**

Keep feeding your container  
Use water wisely, consider setting up a water butt.

Prepare your pots and containers well in advance if you are planning a holiday.

Prune late summer flowering shrubs after flowering.

Prune Wisteria now to encourage the development of new flowering spurs for next year's display of flowers.

Keep an eye on any new plants in the garden and be sure to water them if the weather is dry.

### **Weather Report June.**

There was a total of 69mls of rain fall measured by Freda Fenwick.

## *Swinton Reading Room and Community Hall*

Swinton Reading Rooms is the home venue for three table tennis teams, two who compete in the York & District League and one in the Ryedale League.

Coneysthorpe A and Coneysthorpe B teams are both in the top Division 1 of the York & District League. These names must appear to be a misnomer as they play at Swinton, not at Coneysthorpe. The reason for this is historical. When a team from Coneysthorpe first entered the York & District League back in the mid-1970's they played at Coneysthorpe Village Hall. Gradually over the years the club expanded into having at one time three York League teams, and Swinton became a more realistic alternative venue, having better facilities. For a combination of sentimental and bureaucratic reasons, however, the name Coneysthorpe remains. (To add to the confusion there is a Coneysthorpe team who play in the Ryedale League who are based at Coneysthorpe!).

The Coneysthorpe A team, whose home night is Thursday, and consists of one player from

Scarborough, one from East Ayton and one from Norton, won the Division 1 championship for the first time in the 2009/10 season, and repeated the feat in 2010/11. Their three players finished second, third and sixth in the League averages.

Coneysthorpe A also won the Shepherd Handicap Cup last season, and finished as runners-up in the Yorkshire Clubs Veterans Championship.

The Coneysthorpe B team, home night Tuesday, are also in Division 1 of the York League. Obviously they are not as good as the A team, and they struggle somewhat to maintain their Division 1 status, which they have managed to do successfully so far thanks to a mixture of determination and skill. The pool of five players who represent the B team come from Kirkby-moorside (2), Muston, Rillington and York.

The team in the Ryedale League, home night Monday, hardly surprisingly, is actually called Swinton, and they play in Division 1. Again the standard is quite high, and they usually finish in the top three or four

of the League. Of the four players who regularly represent Swinton, one is from Malton, one from Rillington one from Norton and one from Swinton.

It can be seen from the above how important the Swinton Reading Rooms is for table tennis in the area. Not only is it gratifying to know that the play which takes place there is of a very good quality, but also the income derived from the sport helps to safeguard the future of this important facility.
