Car Boot Sales

Due to various reasons the August Car Boot sale turned out to be a disaster, firstly only 6 cars turned up to sell goods instead of the 20 who had booked a pitch; secondly the burger van cried off at the last minute. due to the weather forecast; finally when it started to rain at 8.00 am two of the cars packed up and several potential buyer cars just drove into the car park and drove out again.

At that point we decided to cancel the event as it clearly was not practical to continue.

By 9.30 the sky cleared and we had fine weather for the rest of the day!!!!

We apologise to those of you who walked down to the event and found it empty. Clearly a mid summer car boot does not appeal to sellers and buyers (last year's one had few sellers and few buyers)

The committee are reviewing the feasibility of car boot sales in the future.

Options under consideration are to hold a table top sale in either the Reading Rooms or Amotherby Village Hall or to see if people in

the village are interested in a village garage sale; this is where you sell your goods outside your own home on the same day and pay a nominal amount to be included in the publicity and promotion of the event.

Ideally we would like someone to take the lead on this. Your comments would be welcome to help us make a decision.

Editorial

As you are all well aware the pub has been closed for some time.

I have written to Punch Taverns and Edison's to express my concern at the state of the premises which give a bad reflection on the village. They have stated they will monitor the situation and asked us to report any further concerns to them

They have also informed me that the pub will be for auction on 18th September in Leeds

(which you probably all know already).

The Swinton Village Action Group had hoped the pub would be up and running by September as we had planned to resurrect the Harvest Festival and Senior Citizens' Christmas lunch; obviously these events will have to be put on hold for another year by which time we hopefully will have a thriving pub again!

However plans for the Bonfire

and Fireworks night on 1st November are well under way; offers of help would be greatly appreciated.

Just a reminder, we need a new Chair for the Action Group from next January as I will be stepping down, please get in touch if you want more information.

Many thanks

Betty Waudby

I am sure many of you will have known Betty throughout her life in Swinton. Sadly, for her family and friends, she passed away on Tuesday 12 August 2014.

Betty was born in Swinton on 2 October 1932, to Mum Evelyn, she was christened Kathleen Elizabeth but was always known as Betty. She was eldest sister to Chas, Dorothy and Carol.

Betty went to Amotherby school and her brother Chas recalls her taking him for his first day at school when she was about 12.

At that age, she collected newspapers from the station at Amotherby for her Uncle Billy's shop in Swinton.

Upon leaving school, Betty went into service at the Talbot hotel as a chambermaid. She lived in during the week, returning home for weekends.

Betty married John Waudby on 14 January 1954 and after an initial start to married life in Masterman's Yard Malton, they moved to 8 Cherry Avenue, Swinton.

Betty stayed there until 2012 when she moved to a flat "with a view" at Deansfield Court. Betty and John had two children, Stephen and Belinda

and two devoted grand-daughters Katy and Claire. Betty cared for John during his illness until his death in 2005.

Betty always had a smile on her face and an interest in all those around her. She would be seen regularly walking her dog up the hill, rain or shine and always a hello and a chat.

Betty loved the village and the church at Amotherby. Her strong faith enabling her to cope with some of the problems life threw at her. Until recently Betty was a churchwarden and arranged the church flowers. Before that she was bell ringer

and member of the Mother's Union.
I am sure those of you who have been baptised in the Parish will have received an anniversary card, that was Betty!
Others may remember her patience at the children's Handicraft Class.
Threading needles and wiping up glue and trying to finish off the "craft" whilst the children let off steam playing the end of

evening game.
Betty loved her cats and spent many an hour separating the meat from the jelly to pander to their picky tastes.
The hardest thing was not being able to take them to Deansfield Court, but she knew they had a good home with Belinda.
Betty was a very special friend to me, we shared many times at 5am after a phone

call for me to go and rescue a mouse or bird, Minx had brought in.
I shall miss her very much, but I am happy in the thought that she is no longer in pain and I can imagine her now making a cup of tea for John whilst he mends his fire and smokes his pipe.
God Bless.
Dianne

Dog Fouling Campaign

Safer Ryedale in partnership with NHW

Neighbourhood Watch Co-ordinators are being urged to add their support to a campaign to crackdown on irresponsible dog owners who do not pick up after their pet.

Following consultation with local people, Safer Ryedale are working in partnership to tackle dog fouling, one of the main complaints highlighted by the Ryedale Community!

Patrols will be stepped up in hotspot areas and £50 fines will be issued to irresponsible dog owners in a bid to reduce the amount of dog waste left

on any designated land open to the air and to which the public have access.

The campaign aims to not only enforce the law, but to also change behaviour and encourage dog owners to bag and bin their dog's waste in any litter bin in the area.

Many town and parish councils have dog waste bins at key points in their area and some also have bag dispensers near the waste bins to make things really easy but dog mess once cleaned up can be placed in any general litter bin.

Anyone found to be committing an offence by not bagging

their dog's waste could be hit with an £50 fixed penalty notice.

Please contact Gail Cook, Community Partnerships Officer for hard copies of posters and leaflets.

The dog fouling reporting slips are also available from Gail Cook, Community Partnerships Officer, Ryedale District Council Tel: 01653 600666 Ext: 314.

Please report dog fouling offences to Ryedale District Council on Tel: 01653 600666 Ext: 208, or email information using the incident reporting form.

September.

Late summer progresses into autumn.

September is generally a cooler, gustier month than August and the days are noticeably shorter. While there's not as much to do in the ornamental garden at this time of the year, if you have a fruit or vegetable patch, you'll be busy reaping the rewards of harvest. It's also time to get out and start planting spring-flowering bulbs for next year and you can collect

seeds for next summer's colour too. Make the most of the remaining warmth while you can
