Moses to the Rescue

My name is Morgan and I went to a holiday club. Here is a list of my three favourite things to do at the holiday club.

1. Mission rescue is a dvd about Mosis rescuing the Israylights.
2. Playing outside with my friends and playin tig.
3. My favourite thing is the tuck shop because its full of sweets and everything is either five ten or fifteen pence.

That was what I did at the holiday club.

I've been here since Monday and it's been fun. Jim has been telling us about Moses. We have a biscuit while we watch the mission rescue and this is the stuff I really like and some thing else Jim blows his whistle, we have to sit on the floor and listen to him.

1. I like the holiday club because I can play with my friends and meet new people and my friend Morgan goes and she is so hilarious and my other friends Eilidh and Emily there funny and smart and Lauren she's funny and really smart.

2. I also like the tuck shop and our biscuit time where we get juice as well and there's my cousins Scott and Aiden. There really funny and Joe he just came today.

3. The garden there are really nice. I played with playdow. I made really weird stuff.

4. There's an orchard where you could play and a court yard. It's really fun there's foot ball and a big snakes and ladders and a giant dice.

My name is Emily and this is wat I enjoy.

I enjoy play-ing with the play Doh and playing with my friend Eilidh. I have also enjoyed the tuck shop and Juice and biscuits and playing in orchard! and I'm going to go back next yer
