

Ormskirk Motorfest

Revs Up @11am - Sunday 27th August 2017 www.ormskirkmotorfest.com

TAKE THE TRAIN TO SEE THE CARS

For the second successive year, Northern, the train operator for the Preston to Ormskirk line, has agreed to run a Sunday service on August 27th in support of Ormskirk Motorfest.

Ormskirk station is a two minute walk from seeing the action.
See the organiser's website www.ormskirkmotorfest.com for more details of the event.

Sunday 27th August 2017 Train Timetable

Preston	Arr	11.58	13.15	15.15	16.43	18.00

TRAIN IT 2 GAIN IT

We are aiming to make this service as well patronised as possible because there is a point to prove. Why?

Regular rail users and those that live along the Sandhills and Preston rail corridor repeatedly express their disbelief and frustration at being unable to take a train between Ormskirk and Preston on a Sunday. We calculate that 400 passengers should put Northern into profit for the day and will encourage them to provide more one off event driven Sunday services.

OPSTA will be conducting passenger counts and a short survey in order to identify the demand and make a case for permanent Sunday services. OPSTA will publish a report of its findings and discuss them with Northern, the West Lancashire Community Rail Partnership and our transport authorities. Please consider using the service on the day and promote it amongst your personal network of family and friends. The service will be a great way to get to this event given roads in Ormskirk town centre will be closed. Alternatively the rail service will enable travel to Burscough, Rufford, Croston, Preston, Liverpool and beyond.
