

I suspect that some of you, like Ann and I, pin various things up in various place around the house as reminders of this and that or the other! Aren't fridge magnets great! My only regret about them is that I didn't invent them. Anyway the outside surface of our fridge door from time to time is literally plastered with bits and pieces ranging from coupons to recipes, and now the most recent 'work of art' by our one or more of our four grandchildren. Every now and again something like the following finds its way to pride of place on the fridge door.

A little something for your fridge door!

Good morning!

*I am God, and today I will be handling all your problems,
Please remember that I do not need your help,
if life happens to deliver a situation that you can not handle,
do not attempt to resolve it, kindly place it in the "something
for God to do box" all situations will be handled in my time not
yours.*

*Once the matter is placed into my box do not hold on to it
worrying about it.*

*Instead focus on all the wonderful things that are present in
your life now.*

*If it is a situation that you think you are capable of handling,
please ask me first to make sure it is the proper solution.*

*Remember I neither slumber nor sleep so there is no need for
you to lose any.*

Rest in peace and remember I am only a Prayer away.

As always & forever

God

With best wishes as the summer approaches
