

Bell Ringing

Come and visit one of our Monday evening Practice Sessions, at the Church Tower at 7.30 pm., every week. Everyone is welcome.

We urgently need more and new Bell Ringers. It is a fascinating, challenging hobby, which requires no prior knowledge, is social, fun and mentally stimulating. It does not require physical strength. Age is no barrier, unless you are under 10 yrs or over 80 yrs. There is no cost involved, simply your time and enthusiasm for a community activity.

New ringers will be taught from the basics up; thereafter your ambition is the only limit. There is an immense sense of satisfaction and achievement at every little stage accomplished. You decide on your level of commitment.

With only a few people (7 or 8) from the parish we are struggling to keep the bells ringing for Church Services. Ringing for Sunday morning service and Weddings are

our prime aim and presently we would be unable to do this if it were not for the help of ringers from other churches.

We are in urgent need of more people from Staplegrave to help us maintain the, over 400 year old custom of ringing these bells for our parish services.

PLEASE COME TO A MONDAY EVENING PRACTICE AT 7.30 PM WHERE YOU WILL BE WARMLY WELCOMED AND SHOWN WHAT IS INVOLVED.

Or ring Tom Harris on 01823 451553 or Martin Cursham on 01823 451217 for a chat or for further information.
