

All That She Wants

Simplified version for beginners

[Am] She leads a lonely [G] life

[Am] She leads a lonely [G] life

When she [A] woke up late in the morning light

And the [G] day had just be[D]gun

She [A] opened up her eyes and thought [E7] oh what a morning

[A] It's not a day for work it's a [D] day for catching tan

Just [A] lying on the [E7] beach and having [D]

fun She's going to get you

Chorus: [A] All that she wants is another [G] baby

She's gone tomorrow boy

[A] All that she wants is another [G] baby yeah

So if you [A] are in sight and the day is right

She's a [G] hunter you're the [D] fox

The [A] gentle voice that talks to you [E7] won't talk

forever [A] It is a night for passion

But the [D] morning means goodbye

Be[A]ware of what is [E7] flashing in her [D] eyes

She's going to get you

Repeat Chorus
