She would never say where she came from

Yesterday don't matter if it's gone

While the sun is bright or in the darkest night

Noone knows, she comes and goes

C G C G C
Good - bye Ruby Tuesday, who could hang a name on you

C G F G
When you change with every new day Still I'm gonna miss you

Don't question why she needs to be so free

Tell you it's the only way to be

She just can't be chained to a life where nothings gained

And nothings lost, at such a cost

Goodbye Ruby Tuesday, who could hang a name on you

When you change with every new day Still I'm gonna miss you

There's no time to lose I heard her say

She'll cash your dreams before they slip away

Dying all the time, lose your dreams and you'll lose your mind

Aint life unkind

Goodbye Ruby Tuesday, who could hang a name on you

When you change with every new day Still I'm gonna miss you
