

# XBU Summer camp 2015

Cornwall

Staying at St Agnes

Dates: 17<sup>th</sup> July to 28<sup>th</sup> July

We Are delighted to offer Our summer camp this year in Cornwall, (Pedal's Homeland)

For a change this years camp will be separate from the scout camp, both in location and dates (ours is earlier).

This means we can offer an explorer specific program with plenty of exciting activities and events a lot of which will involves sand & sea, and hopefully some warm Cornish Sun.

We will be camping in a field a joining a scout hut at St Agnes, with full use of the scout hut, meaning we don't lose al the elements of a camp with fires backward cooking etc, but can also manage with minimal equipment of our own.

We Recommend that each Explorer has a shorty or full length wetsuit At the time of printing these are at Decathlon for £14.99

Because or camp overlaps with the scout camp we are also short of tents so will rely on explorers by enlarge having their own, but we do have some if this is an issue for some.

We will have a body board waiting at the hut for each explorer

A day riding the most beautiful cycle trail in the country

Coast Hiking

Visiting St ives

The cost is £175 per explorer
