Throughout 2015 we have raised

£7,760 from former pupils of the Downs School
£2,700 from railway societies and Charity Trusts
£4,465 from the Railway Action Group fundraising
£380 from the Summer Ball's Kings & Queens game
£3,000 from HM Revenue and Customs Charities
£1,500 from our own Trustees

Thank you!

Over the last four years we have funded

£8,000 for a new boiler for the steam locomotive James Boyd, with the restoration generously carried out by one of our Trustees labour free of charge (2011-2015).
£1,000 for design, drafting, and approval services to prepare for the build of a new boiler for the steam locomotive Brock (2010-2012).
£1,500 for digging out the track bed in Hoyland Down, laying new drains, and track bed foundations for the children to relay the railway (2012-2014).

Please look out for our collection tins. All donations collected from these tins go directly to the charity.
