REMEMBRANCE SUNDAY

at Lopen Church
on 11th November

The annual Act and Service of
Remembrance will start promptly at
10.50am.

All are welcome, churchgoers or not,
to remember those who have given
their lives or their well-being for our
country and remembering also their
families, friends and comrades.

THE ROYAL BRITISH
LEGION

Sally-Ann writes...

This year on Armistice Day we will be laying a wreath and observing two minutes silence at the war memorial as part of our Service of Remembrance. (We will not be celebrating Holy Communion at this service.) All are welcome and coffee will be served afterwards in the Schoolroom. The collection will go to the Royal British Legion Poppy Appeal.

REPORT BACK from PARISH CHAIRMAN BARRY DAVOLLS

Eggwood Hill

Somerset County Council has now made contact with the three Parishes of Lopen, Hinton St. George and Merriott with a view to commencing the sale and transfer of the site as previously agreed. It is unclear at this stage just how long the sale process will take but at least the matter is now progressing. A local Scout group has made contact with each Parish requesting the use of part of the site which, once the sale is completed, will be considered further.

Local Choice Events

Somerset County Council are once again holding a local choice event on the 29th November aimed at devolving some County services to local communities. This event will chiefly deal with aspects surrounding Libraries, Youth Services Provision and a proposed Community Warden Scheme. For Lopen, the main interest will be regarding the Community Warden Scheme which, appears at first glance, to be a replacement for the current Lengthsman scheme. It is proposed that the new scheme will be rolled out over the whole County rather than as the current arrangement, which serves relatively few local communities including ours.

Lopen Crime Figures

The official reported crime figures for Lopen during the month of September, whilst still very low, are somewhat higher than normal. Two burglaries and one criminal damage to buildings (not dwellings) plus one theft, combine to create one of the worst months for some time. Let's hope this is a one off! According to the district wide figures, burglary (both dwelling and non-dwelling) is on the increase and so, with the approach of the darker evenings, we encourage everyone to secure their property as unsecured doors and windows are still the largest cause of break ins.

(A point reinforced below by Martin Howell of Neighbourhood Watch. Ed)

Now that the clocks have changed, and it is darker much earlier, please make sure that outbuildings are properly secured and no tools etc. left outside. They will soon go and cost a lot of money to replace. When out and about at night, make sure you have a torch and use it. You might be able to see but it helps if you can be seen. A good torch can save lives. Please take care.

Lopen Precept

The Parish Council normally meets during December to agree the precept for the following year. Due to delayed decisions from outside funding sources (Lengthsman scheme), and the possible impact on the value of our Precept from the Local Government Finance Settlement, which follows the Chancellor's Autumn Statement, it will not be possible to consider next year's precept until early in the New Year. The deadline for submitting the precept has, thankfully, been extended to the end of January.

Neighbourhood Planning

The District Council recently held the first of their workshops covering the topic of neighbourhood planning. Adopting a neighbourhood plan, is the only guarantee for any community to have some control over development in their area. Developing and adopting a plan is a long and expensive proposition. The final stage includes independent inspection of the plan to ensure it complies with both the District Local Plan and the National Planning Policy Framework (NPPF). The District Council explained that for most Parishes, neighbourhood planning would not be appropriate because policies within the emerging South Somerset Local Plan (SSLP), offer significant protection for rural settlements such as ours (albeit these policies are yet to be inspected and agreed by the Planning Inspector) and, that in 95% of cases, the District Council supports the Parish Council view on planning matters already. If local experience is anything to go by, the remaining 5% is the very reason why we should consider adopting a plan as the bigger and more controversial applications fall into this category.

FOOTNOTE The Top Hat Cafe, open during Arts Weeks, sent off £186.75 to each of the charities, The Smile Train and Shelter Box. Thanks for your support! Sally-Ann
