RARE BIRDS SEEN IN LOPEN

A pair of white-headed long-tailed tits of the northern variety were observed by Harry Horlock-Stringer in his garden during April's long spell of cold weather.

Please report any other unusual sightings of wildlife to the Editor (see back page).

This striking bird, *Aegithalos caudatus caudatus*, is a rare visitor to England, especially this far south. Its journey from its native Scandinavia and northern Europe was undoubtedly made necessary by the prolonged winter recently endured in Europe.

MAY'S PLANT SALE

Thank you to all who supported in various ways The Plant Sale on May 11th. A happy and successful morning was had by all and £528.83 raised for our church and Sunday School Room.

REPORT BACK from PARISH CHAIRMAN BARRY DAVOLLS

New County Councillor

Christopher Le Hardy, our local Conservative candidate, narrowly won the recent County Council elections beating the incumbent Liberal Democrat candidate Paul Maxwell by 54 votes. We congratulate Christopher on his election and look forward to working with him throughout the years to come. Naturally, we have already passed on our list of outstanding matters which, in the main, relate to traffic calming, pedestrian safety and the road surface along Holloway as well as blocked drains along Kitchens Lane. Irrespective of any political view, most that came into contact with Paul Maxwell recognised the considerable effort he put in to represent the various local Parishes at County level along with his regular success in bringing about tangible beneficial changes. Lopen Parish Council is most grateful to Paul for all his work on our behalf which, amongst the long list, more recently includes his help in securing the Eggwood Hill site and progressing its sale to the three parishes of Lopen, Merriott and Hinton St. George, as well as securing a grant of £1,200 towards the Lopen Defibrillator - further news about this to follow.

Local author, poet and historian James Crowther was the speaker at the May meeting of Lopen History Group, the subject of his fascinating talk being 'Literary Somerset'. The audience was surprised and impressed to learn how many famous figures in literature had lived, worked or travelled in Somerset: from Roman times through the Anglo Saxon Chronicles to notable Victorian people of letters and those of our present time.

An excellent programme of speakers has been booked for the coming year and new members will be most welcome - at just £3 annual subscription. Just come along to one of our meetings.

Potential Councillor Vacancy

It is anticipated that a Lopen PC Councillor vacancy will exist towards the end of this summer. This is an early call for anyone interested in becoming a Parish Councillor to make contact for a chat and register your interest. A more formal process will follow if, as expected, the vacancy arises.

Flood Mitigation Fund

Somerset County Council has just announced a fund that aims to provide grants for flood alleviation schemes across Somerset. The fund pot is £200,000 and is aimed at Town/Parish Councils, landowners and residents in Somerset who are invited to apply for works that will help reduce the risk of flooding. They are looking for schemes that can help a community increase its resilience against flooding such as creating flood defence banks, clearing roadside ditches or increasing the size of piped access crossings on a watercourse. Whilst anyone can apply, priority will be given to schemes put forward by Town and Parish Councils. Any scheme proposed **must** be supported by, in our case, Lopen Parish Council. If you require any further details on this or wish to discuss a scheme, please contact me directly. (See back page.)

REPORTING DEAD ANIMALS BY THE ROADSIDE

There is a simple procedure for ensuring the swift removal of dead badgers and foxes from the road or verge. Call the district council on

01935 462 462

and they will send out a van to collect the unfortunate animal.

Bruce Bezance

Bruce Bezance – A Tribute

Bruce died at home on 30th April 2013 at the early age of 63, after a fight of nearly three years against lung cancer. In so many respects the manner in which he endured and fought this terrible disease reflected the way in which he lived his life generally. His determination not to turn in on himself or show in public any self-pity was inspirational. Until only a short time before his death, his much greater interest in other people's lives, especially those of his family of whom he was so proud, and what was happening across the country was undiminished. As was his commitment to helping in a wide range of village activities. Against the advice of so many people, he continued close to the end to redecorate his house, climb ladders and mow the grass in the graveyard. The phrase "he leaves a big gap in the lives of his family and many friends" is over-used, but it applies to Bruce. The image of him carving the hog roast at our village picnics, in his silly hat, exchanging a word with everyone who passed in front of him, will remain with many of us. It is to be hoped that he may have found somewhere else to carve a roast hog and mow a lawn.

APRIL SHOWERS?

April's rainfall total was a mere 26 mm - compared with 153 mm last April. In fact, this April was the driest month since March 2012. The long term average rainfall for April in Lopen is 47 mm but back in April 2011 we had only 8 mm.

Jeremy Rook

Thank-you to all who supported the local Christian Aid Week Appeal.
