JULY 2018

CARE FOR YOUR VILLAGE DAY

(very sociable - come and meet your fellow villagers!)

SATURDAY 4TH AUGUST

From 9.30 am - School Room, Church Yard and Church Working party, with coffee and ploughman's lunch! Everybody is welcome, whatever your skills, to do inside and outside jobs.

Following the successful footpaths afternoon a few weeks ago, footpath maintenance will also be a part of the 'Care for your Village day'.

Ed will be coordinating from the churchyard where any footpath work is required.

For both sessions please bring gloves, protective clothing and the tools you like to use.

For more information please call - for Church Angela on 240 921 or Stephen on 249 549 - for footpaths Ed Moore 394 583.

There will be a list of work needed in the porch; if you are able to do any before the day, that would be also be appreciated.

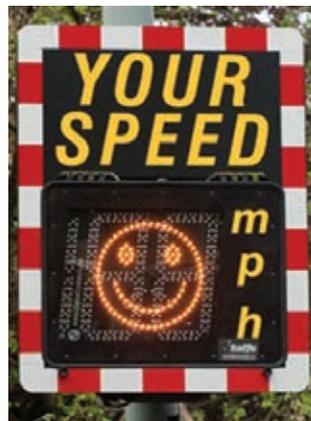

ROADSIDE 'SID' FOR LOPEN

A Yard Sale was held on Saturday June 23rd, and with the donations of items to sell, and with the effort of Roger & Annie Gurner

and their support team, the sum of £535 was raised towards attaining the target of £3,500 for the purchase of the village SID. The fund now stands at £3035 and there is every hope of still further donations to help reach the total required. Although many people in the village have made pledges towards the purchase of the SID there is still time to make your pledge if you haven't already done so!

Let's make one final push to get to the £3500 needed - please pledge NOW by contacting Roger at slow@freeolamail.com or 07831 597611.

From one Lopen resident - 'it's been nice to see the smiley face when I drive past the SID that's been in the village the last week or so!'

**THERE WILL BE NO LOPEN EYE
IN AUGUST**

SUNDAY SCHOOL ROOM AWARDED £3,000 GRANT!

Many of you will be aware that the fireplace in the Sunday School Room is sagging under the weight of the chimney. Your Lopen Parochial Church Council (PCC) had it inspected by a structural engineer who recommended temporary propping and then removal of the fireplace and chimney. Consent for the removal was granted by the Local Authority in December and the work put out to tender to four local builders. The PCC awarded the contract to the lowest bidder in March. The total cost of removal, thatching the roof void and limited improvements to the kitchen facilities will be approximately £3,000. Since the normal annual church & schoolroom income and expenses are finely balanced an application was made to the National Lottery Awards for All scheme. The brilliant news is that we have just been awarded the full £3,000. In addition, we have received a generous personal donation which will allow additional improvements to the Sunday School Room to be considered. It is anticipated that work will commence towards the end of August and take about a week to complete.

LOPEN PARISH COUNCIL

From our new Chairman, Stephen Crane - 'I will begin by thanking Nick for all his hard work over the past years as Chairman of the Parish Council. Nick is a tough act to follow, however I shall do my best with the help and support of the other members of the Council. I shall take this opportunity also, to wish Nick a speedy recovery and I know the whole Council joins me in sending our very warmest wishes for his return to full health. We all look forward to welcoming him back on the Council as and when he feels the time is right for that to happen'.

VILLAGE SURVEY

Many thanks to everyone who responded to the recent Lopen Village Survey. A total of 42 questionnaires were received, which represent exactly a third of households in the village. It was enlightening to discover the views of residents about a variety of matters from planning to broadband, and these opinions will be used to plan future Parish Council activities.

Some of the most striking findings were:

- Overall, the topic people considered most important was Roads and Traffic with 90% of respondents rating it as important or very important.
- 78% of respondents felt the village should purchase a speed indicating device, with the majority believing that residents should make a contribution.
- There was very little appetite for large building developments, however most people are happy for smaller projects within the existing property boundaries in the village.
- 100% of respondents refer to the Lopen Eye to find out about village matters.

If anyone would like to find out more, full analysis of the results will be presented at a forthcoming Parish Council meeting - to be advised

SPEED INDICATION DEVICE (SID)

Following on from the first working party meeting on 2nd June, Somerset County Highways Department has been contacted, with a view to increasing the number of posts that can be used to mount the SID. We have also advised the Highways Department of our preferred shortlist of three devices. We are now waiting for Highways to confirm that they have no issues with our selecting any of the three, prior to the final decision process. Hopefully we will have some answers by the next Parish Council

Meeting but we are in the hands of the Highways Department so – watch this space!

FOOTPATHS MAINTENANCE DAY

Many thanks to all those who participated in the footpath maintenance afternoon on June 10th. It was a really productive afternoon and we hope it was an enjoyable time for everyone who came along. Also, we would like to extend our thanks to the many within the village who regularly work to maintain the footpaths in their own time. Your efforts do not go unnoticed and the care of the footpaths is much appreciated. We look forward to running another Maintenance Day in the near future. Please look out for this in the Lopen Eye.

Whilst the footpaths are there for everyone to enjoy, following some recent incidents reported to the PC we would ask those who use them to remember a few simple rules of the countryside:

- Please leave gates as you have found them, if you have opened a gate please shut it behind you.
- Please keep dogs under effective control. Keep your dog on a lead around farm animals and horses, for your own safety and for the welfare of the animals. Ensure it does not stray off the path or area where you have a right of access.
- Clean up after your dog and get rid of the mess responsibly – 'bag it and bin it'.

Now that we are entering the
summer/holiday season, it is
especially important not to
become complacent about
security.

It is the period in which the
opportunist criminals take
advantage and will:

- Enter open front or rear doors whilst residents
are in the garden.
- Enter doors or windows that have been left open
or insecure at night whilst residents are asleep.
- Reach through insecure windows to steal
property.

When you go on holiday, police advice includes:

- Take steps to make your house look occupied.
- Ask a trusted neighbour to open and close your
curtains for you.
- Put a timer on some of your lights – do not leave
a landing light on.
- Cancel your milk and paper deliveries.
- Ask a neighbour or friend to park their vehicle on
your drive.
- Move valuable items, such as pedal cycles, from
the shed to the house.
- Cut your lawns and hedges and make sure the
hedge to the front of your property is cut to below
three feet to aid surveillance.
- Do not advertise that you are going away on
social media.

from this consultation will inform a joint 'Improving

together over the next ten years to improve the lives
of residents. This consultation opened in June and

RECYCLE YOUR PLASTIC POTS

We now have a container by the side steps at the church for the collection and recycling of any plastic garden pots, trays and containers. Please feel free to claim any for that garden project or just leave any that are now unwanted. The idea is recycle these items as much as possible to avoid them going to landfill. Terracotta pots, whole or broken, are also welcome, however please leave these outside the crate.

There is a Defibrillator in the porch of All Saint's Church, Church Street.

If you are interested in being trained to use the equipment, please contact Sarah Mason on 249 219 or sarahmason6@yahoo.com
