

## JOIN IN SHEFFIELD MOORS DEBATE

Sheffield Moors is an area, to the west of Sheffield, of approximately 20 square miles, including areas such as Stanage, Houndkirk, Blacka Moor and Longshaw.

Sheffield Moors Partnership (*Peak District National Park Authority, the National Trust, Sheffield City Council, Natural England and the RSPB*) are interested in the views of local people **and** visitors about the future of the area, and are holding a number of workshops to consider themes such as access, visitors facilities, farming and woodland management to name just a few.

If you want to get involved in the future of the Moors, you must book in advance. Contact Lucy Chadburn on 01433 670 368.
