IMPORTANT NOTICE

This year we have lost a few of our Committee Members from the Management Committee of the Croyde Village Hall. Some have moved away from the village, some have left because of illness etc., all of which are usual events. However, we are now very short of help, leaving a lot more responsibility on the shoulders of a few dedicated volunteers. Being an active member of the hall committee is not a big commitment, with each volunteer giving a few hours a month to assist with small amounts of paperwork, or helping to run a bar, or do a few small jobs – BUT MANY HANDS MAKE LIGHT WORK AND THE VILLAGE HALL NEEDS YOU! Ring Paul Watkins 890944 for a chat or just come along to our next meeting, usually on a thursday evening at the beginning of the month. The village has a fantastic facility and your input will help us run it.
