SPRING 2019

## INTRODUCTION

Werneth incl: Romiley, Bredbury, Greave  
Woodley and Marple & High Lane

Welcome to our readers, firstly I would like to take the opportunity to welcome Inspector Shaun Flavell who has taken over from Inspector Cantrell. Inspector Flavell will be looking after Werneth, Offerton, Hazel Grove and Marple areas.

The current anti-social use of off road bikes in areas of Bredbury is of great concern to us and local officers are working with GMP's Operation Camenca to target this. There have been a number of successes already with several bikes seized. If anyone has any information on where the bikes are being kept or description of the riders, please report via live chat, 101 or Crime Stoppers

We are involved in the divisional knife crime operation this is of particular importance given the national concerns raised over recent knife attacks. As part of this we are interviewing an offender for a robbery and burglary that occurred last year.

Please be safe look after your family friends and property. Sgt Lloyd

## CAMPAIGN UPDATES

**Twenty is plenty in High Lane**, we are getting a number of reports in relation to the residential streets off the A6 and Windlehurst Road, the whole of High Lane village except Windlehurst and the A6 are 20 zones, drivers are using the residential streets as a 'cut through' exceeding the speed limit. Please contact your Councillors to reduce the speed or apply for access only zone.

## GMP AND THE COMMUNITY

### BURGLARS ARE OPERATING IN YOUR AREA

**1 in 3 burglaries occur due to an open/unlocked window or door**

**PLEASE REMEMBER TO LOCK UP** – update your security, remove keys from view, secure doors and windows, use house alarms and consider fitting CCTV. **A number of sheds** have been broken into in the area, try and minimise the number of garden entrances and install heavy lockable gates that cannot be seen through. Make your garden a challenge to get into then many thieves won't bother. One of the commonest ways thieves break into sheds is by popping the roof off so bolt it to the frame, buy the best padlock you can for the door and change the hinges to coach bolts. Ensure pedal cycles are secured to the floor install a shed alarm and obtain insurance

### Drivers of Goods Vehicles please be aware of the Windlehurst Road Weight Restriction

Goods vehicles exceeding a gross weight of 7.5T are **prohibited** on Windlehurst Road between High Lane and Marple.

### FREE Boxing sessions - Are you concerned that your child may be at risk of becoming involved in anti-social behaviour? Are you looking for an opportunity to divert them from this?

Stockport Anti-Social Behaviour Fund have agreed to fund 12 months of boxing sessions each Friday evening between 6pm – 7pm at Magic Hattons Boxing Gym, Pear Mill, Stockport.

**Places are limited so please act fast.**

There are further opportunities to train with another boxing club, Paramount ABC, also based at Magic Hatton's gym at Pear Mill where training takes place every Monday, Wednesday and Friday night between 7 and 8.30pm. The cost per session is £3.50 and again this is a non-profit club with all proceeds put back into the gym. Their 22 registered boxers represent the club in competitions all over the North West but also cater for people who just want to train and get involved in a disciplined and healthy lifestyle. For further information regarding both sessions please contact Paul Slamon on Tel 0161 474 4715

#### MARPLE PARKING

Oldknow Road junction of Stockport/Strines Road B6101

'a road marked with double white lines, even when a broken white line is on your side of the road, except to pick up or set down passengers or to load or unload goods'

You could be liable for 3 points and a fine

#### 'Open Your Eyes to Knives'

Greater Manchester Police will be continuing to run operations to tackle knife crime over the coming weeks and months, incorporating a range of policing tactics including hotspot targeting and stop and search methods as well as working with partners to better understand why people are carrying knives.

**If you carry a knife, it's never too late to make a positive change in your life. Going knife free takes courage, but the benefits are real. Join the millions of young people who live knife free. #knifefree**

Knife carrying puts your future in danger is it worth that risk?

Prison, injury, plus the personal effect on you, your friends & your family – a knife can escalate things way out of your control and make a bad situation much worse.

The legal consequences:

**Up to 4 years in prison even if you don't use it**

**A criminal record for carrying**

Do something positive - You can live knife free

Are the people you surround yourself with having a positive impact on your life – friends should never pressure you into doing something you don't want to do – try to think of a way to say no – it could save your life.

If you have concerns about someone you know or care about carrying or hiding a knife, or if you are aware that knives are being concealed in your community call Greater Manchester Police on 101 or 999 in an emergency or talk to us via LiveChat on the GMP website or alternatively, you can give information anonymously to Crimestoppers by calling 0800 555 111.
