**For professionally managed, secure, decent and affordable,
privately rented homes in sustainable communities**

The National Private Tenants Organisation (NPTO) provides a voice for and campaigns on behalf of private tenants in England.

The objectives of the NPTO

- To strengthen the voice of private tenants by encouraging membership of the Organisation by private tenants and private tenants' groups;
- To encourage private tenants to set up local groups in their own areas;
- To call for changes in legislation, strategies, policies and practices towards achieving the aim of the Organisation;
- To work with affiliates and other individuals and organisations towards achieving the aim of the Organisation

Services offered to members

- A voice at national level
- Advice, information and support for establishing tenant organisations
- News on changes in legislation and policies and national campaigns
- Access to research carried out by the NPTO
- Networking opportunities

How to join

Membership is open to private tenant groups and individual private tenants. NPTO also have associate membership for organisations wishing to support its work.
