

ST JOHN'S RESIDENTS' ASSOCIATION

NEWSLETTER NO 17 December 2011

The **Christmas Social** on 10th December will have the usual tasty refreshments, with a seasonal flavour, and a raffle with some good prizes. David Killingray's excellent Local History Photographic Exhibition will be back by popular request. Albert Wood will be providing the musical entertainment and we will have the opportunity to sing carols along with him. Everyone is welcome, and if you haven't yet renewed your membership you will be able to do so on the day.

Cold Weather

Last year's very cold weather made everyone aware of how vulnerable we can be when conditions are so bad. If you or someone you know is in need of assistance eg with shopping or transport, please contact one of the committee members and we will try to help.

Website

The website address is www.stjohns.btik.org.

Bob Carpenter manages this for SJRA. The Newsletters are available on line, as are other items of interest like new planning applications.

The **Newsletter** is delivered by volunteers, and the intention is for it to go to every household in the defined area. It is also available online. If you have a point of interest for the newsletter, please contact Marie on the above phone number.

Membership

If it is appropriate and possible the SJRA will represent the area in the event of issues arising affecting the area. Obviously SJRA will have greater impact if it has a substantial number of residents on the membership list.

If you aren't a member, you could come along to one of the socials and speak to a committee member and other residents to find out what we can do for each other. If you are new to the area, the socials are a way of getting to know other people in the neighbourhood, and getting a feeling of what is happening here.

Membership fees are £6.00 per household and £4.00 per household (OAP or student)
