Dear People,

We had a wonderful pilgrimage to Rome and Assisi. We had mass in St Peter's twice, in the Vatican church of St Anne's twice and in the local parish church near the hotel, just down the road from St Peter's. The Rome days were warm and sunny and we saw much together - as well as good time to explore.

Assisi had the same warm days and its own unique atmosphere. The medieval town is full of the spirit of St Francis and St Clare - and makes such a contrast to the pace and bustle of Rome. Three peaceful, prayerful days began each day with mass at St Francis' basilica at 7.15 am. We remembered families, friends and parish in our prayer.

Now home to the fullness of parish life - the children making their First Holy Communion, the young people preparing for Confirmation, and the life of the parish continuing. We are urged by our bishops to begin to prepare for the new translation of the mass which will come into effect in September.

At the back of the church is a copy of their letter. Please keep it for reference to remind yourself of what we are looking forward to. Some of you will remember how poorly the changes were made in the late 1960's and early 1970's. This time we need to do it more simply: one major change on the set day, rather than a series of small changes over time.

Much information is available. If you want to know more there will be links on our parish website.

God bless you.

*Fr. John*
