

## Creativity in Crisis:

Self-Isolation can be a stressful experience but can also be a time for reflection and creativity. We would love for those of you who are able to create pieces of art, poetry, photographs, music and stories to send and we can put into our next newsletter and the Website.

To send us your activity, please take a photograph of your piece and send as an email attachment.

A kind thought from Julie White from Winchburgh Parish. She packs these Tea Boxes and donates them to Pensioners in the town who are under Lockdown. God Bless her for her kindness.

Kevin, who lives in Livingston said: "During the Covid-19 pandemic, I decided after my own work had finished I would help vulnerable others, so I've been out helping the elderly and infirm by either taking them to Doctor appointments or helping them with their shopping etc. "Partly the reason for me doing this is I have a grandmother who is unable to get around herself, so it was a no brainer for me to help out. I'm also a member of the Livingston Round Table who are dedicated to helping local communities, part of the project during this pandemic was to deliver school lunches to local residents." Superb effort, Kevin.

Thanks to all those volunteering to help those in need.

We thank Kevin for all that he is doing in the community where he lives. You may recognise Kevin as he assists at the Saturday Evening Mass in Broxburn.

## *The Teddy Bears Picnic*

If you go down into the woods today. You're sure of a big surprise. You will not find these three Teddy Bears

These three seemed to have been abandoned. A nice lady we know rescued them, washed them disinfected them, groomed them and put them on display. They are now ready to find a new home.

Why don't you send  
Us some of your activities and we  
could put them on  
the Website.
