

VOLUNTEER ROLES

ROLA WOLONTARIUSZY

Volunteering:
IT'S EASIER
THAN
YOU
THINK.

How often does NSCPG (Project) meet? NSCPG

Project meetings are every 6-8 weeks for 1 1/2 to 2 hours (alternate day/evening).

Committee members have the opportunity to contribute to the activities in the local community and take a vote on major issues, helping to shape the future of the project and impact in the local area.

What does the Project do? We find out what YOU (the community) would like to see in the area, search for funding and recruit volunteers to run the activities, event, trips and training (see a list or current activities overleaf).

Want to get involved? Its simple, nominate or be nominated to join our friendly committee or become a volunteer with us. *OR speak to our Community Development Worker for info.*

HALLOWEEN FUN AT THE KIDS CLUB

We welcomed over 25 children and young people to our Kids Club over the October half term break. They enjoyed a mix of activities including sports, baking, crafts and games then ended the week with a scary Halloween party, with prizes for the best dressed. We'd like to say a huge thank you to all of our fabulous volunteers for all of their hard work throughout the week. It couldn't happen without you! Our Kids Club will be back in the February half term, watch this space for details!

TELL US WHAT YOU THINK!

We want to know what activities you would like to see on the estate. Fill in both sides of the attached form and return it to us at the Springs TMC office before **Friday 16th December** for the chance to win a £30 Tesco voucher
