## St Peters Church - Remembrance Candles

We are selling candles for £1.00 each which we will light at our Christmas Carol Service (Sunday 21st December at 4pm) and each candle will be in memory of a loved one. Every candle will have a small piece of card with the relevant wording on it (eg: Mary Smith, Paul & Mary Smith, The Smith Family, The Children of South Africa or simply Mum - whoever means something to you.)

It would be lovely if you could come to our Carol Service this year and light your candle (about half way through) but if you can't make it we will light it for you.

St Peters is a pretty little Church and would look absolutely beautiful fully lit up so if you can help us - and keep someone's memory alive at the same time - *please* buy a candle.

## **Areas of responsibility and useful numbers**

There have been a number of questions raised recently about areas of responsibility for repairs around the village and who problems should be reported to.

The following is intended as a guide to try and help.

The Parish Council has responsibility for some of the grass cutting around the village including the Recreation Ground, Church yard, Cemetery, Village Green. Also the recreation ground itself and Brook Common. Any issues with these areas can be reported to the Parish Clerk Sue Morley on 53378.

The District Council has a wide range of responsibilities such as Street Cleaning, Waste collection, Planning, Stray Dogs and fouling. More details can be found on their website at [www.southsomerset.gov.uk](http://www.southsomerset.gov.uk) or by contacting 01935 462462.

The County Council also has a wide range of responsibilities which include Highways, Pavements, Schools, Social Care, Libraries and Public Transport. More details can be found on their website at [www.somerset.gov.uk](http://www.somerset.gov.uk) or by contacting 0845 345 9166.

## **Macmillan Cancer**

Macmillan Cancer, supported by St Peters Church, will be holding a coffee morning on Friday 26th September at 10.30am - 12 noon. There will be tea, coffee & cake on offer as well as a couple of stalls to browse. There is no charge to come in and refreshments are by donations. All proceeds from the refreshments and stalls will go to Macmillan Cancer.

(If you have anything for a stall - books, jigsaws, odds & ends etc - please contact Dinah Harding on 54230 or Jacqueline Bennett on 54164. Similarly, if you bake a cake for us we would be very grateful.)

## **St Peters Church Christmas events**

For our Christmas fund raisers this year we will be holding our usual Christmas coffee morning, the remembrance candles and a grand prize draw. We will be launching the candles and prize draw at the Macmillan coffee morning event and after that we will visit the village door-to-door and then attend other local events with them. The candles and prize draw are our big fund raisers this year so we hope you can support us in one of them. (Please note; we will not be running a Christmas Bingo this year.)

## **Coffee Pot**

Do please come along to the Merryfield Hall for tea, coffee and biscuits and have a friendly chat with old and new friends. For details of dates for the Coffee Pot please contact below

## **Fly Tipping**

Fly tipping is on the increase around Ilton with rubbish being illegally dumped in areas such as Brook Common, The old railway halt and Frost lane among others.

People are being warned by South Somerset District Council to check out exactly where their waste is going if they pay a handyperson or company to take it away, or potentially face a fine of up to £5,000.

If you do employ someone to take your waste away you must make sure that they have a 'waste carrier's number'. You can call on the Environment Agency on 08708 506506 or visit their website.

Potentially if you don't check that they are authorised and they then dump your waste illegally, you could be found liable to a fine or a criminal record under fly tipping legislation.

Flytippers could be liable to a fine of up to £50,000, imprisonment and a criminal record. If caught

For more information and advice or to report flytipping please contact South Somerset District Council's Streetscene Enforcement on 01935 462462.

## **Hedgerows and Grass verges**

Whilst the local authority cut the hedgerows and verges along the roads only a few times each year, this is a reminder that householders do have a responsibility to ensure that the hedges and verges of their own properties do not cause an obstruction to the pavements footpaths or the highway.

It also helps to make the village look more tidy and pleasant.

If you feel that the highways has missed an area they are responsible for you can contact them on

**0845 345 9155**

**REMEMBER You are responsible for the grass verges outside your land  
or property**

## Retirement of our Rector

Our Rector Andrew Tatham retires at the end of October.

All the villages in the benefice (8 of them) along with the clergy will celebrate his ministry with us at a leaving service in St Mary's Donyatt followed by a party in Donyatt village hall on Friday October 31st at 7pm.

We plan to give Andrew a leaving present that evening so if you would like to donate to that please ring me Kate Cameron on 01460 55308.

## Flooding

With the end of summer and winter around the corner it is vital that anyone who has responsibility on their land to keep waterways and ditches clear ensure this is done. Apart from the difficulty of getting around, flooding causes misery for those people whose homes are affected by it. There are also problems caused by blocked road drains. Please report any blocked drains etc. to Somerset County Council on 0845 345 9166.

## **St Peters Church - Harvest Festival/Lunch** **Sunday 19th October.**

**The Harvest Festival Service** will be in the Church at 12 noon. It will be a short service where we give thanks for the harvests of the world, sing a couple of 'harvest' hymns and it also gives us an opportunity to give some food to others less fortunate than ourselves. The church will be decorated with flowers, fruit & vegetables, which always looks lovely, and if you would like to do a small flower arrangement/vase of flowers with some fruit or vegetables to have displayed in the Church please contact us. However, if you can't attend the Festival or Service but would like to donate some food (loaf of bread, canned foods, fruit, vegetables etc) the village hall will be open from 10am on that Sunday so please feel free to drop it in then. All the food collected this year will go to the Ilminster Food Bank.

**The Harvest Lunch** will be in Merryfield Hall at 1pm. It is a 2-course lunch of Cottage Pie with fresh vegetables (or a vegetarian option) followed by Apple Pie & Custard, then finished with a cup of tea or coffee. As most of you know the hall is not licensed but if you wish to bring a drink to go with your meal we will provide the glasses! Cost of the lunch is £6.00. To book your tickets please contact Kate Cameron on 55308, Dinah Harding on 54230 or Jacqueline Bennett on 54164. (This is a ticket only event.)

## Village Agent News

Hello everyone. This month I wanted to let you know about a local organisation Somerset Sight who work with people who are losing their vision across Somerset. Somerset Sight have a resource centre which has a huge range of gadgets to help people make everyday tasks easier to perform, from magnifying glasses that can change the colour of backgrounds and text, to pens that can tell you what colour your clothes are. Somerset Sight also have a mobile unit where equipment can be viewed and advice given. The charity also has an extensive audio library which they can post to members, if you are interested in viewing the library list or the resource centre catalogue, please call me.

Also, are you an unpaid carer for a family member or friend? Do you need some support or are you interested in joining a support group for carers where you can share concerns and experiences? If so, Compass Carers are there for you, aimed at supporting those who do the important role of caring for others. There is an estimated 58,000 carers in Somerset, yet only 10% of these are actually known about. Compass Carers is a service contracted by Somerset County Council and NHS Somerset to offer carers support through care support workers who can meet on a one-to-one basis, a dedicated telephone line, or helping to set up new carer support groups. Please get in touch with me for more details of this great organisation.

As we are heading into the winter month's these can be difficult times! Are you struggling with your heating costs! Are you aware of the Somerset Community Oil Scheme? This is a fantastic scheme set up by Community Council for Somerset that reduces the cost of your domestic heating oil. All you need to do to take advantage of the scheme is to pay an annual membership fee, which will cover as many oil orders as you need during the course of the year. There are no hidden costs, by bringing communities throughout Somerset together and making the most of joint buying power, we can make savings and pass them directly to people like you whose fuel costs are high just because you use oil-fired central heating.

## St Peters Church - News Update

We have applied to the Awards For All part of the National Lottery to help us to start the church renovation project. We have applied for the maximum amount of £10,000 which will restore the main entrance door and build a porch just inside it. We should know the results in the next four/five weeks so watch out on the notice boards around the village for more information.

The annual ride and stride is taking place on Saturday 13th September. Once again Mark & Jacqueline Bennett will visit the Churches if anyone would like to sponsor us. (Ride & Stride is a County event run by the Friends Of Somerset Churches & Chapels Charity. Members of every parish are invited to walk or cycle around their area visiting as many Churches as they can and getting sponsorship to do so. The money collected is then divided between our Church and the Friends Of ...charity. Every parish Church can submit an application to this charity for help towards any projects they may be undertaking.)

As a by-the-by, if you are interested in visiting local Churches this is an exceptional day to do so, as not only are most of the Churches open but there is usually someone there to help if you need to know any information.
