Flooding

Following the recent wet weather which has caused a large amount of flooding sometimes in places it has never flooded before, it is vital that anyone who has responsibility on their land to keep waterways and ditches clear ensures this is done. Apart from the difficulty of getting around, flooding causes misery for those people who's homes are affected by it. Please report any blocked drains etc. to Somerset County Council on 0845 345 9166.

NEWS from PC Toni Lines

1. Thefts from sheds and outbuildings

We are actively targeting known criminals but we also want to raise awareness as thefts from outbuildings, sheds and garages, particularly in rural areas, can increase at this time of year.

What can you do to protect yourself?

- Put away all tools and equipment and lock up. Remember these tools could be used to break into your home.
- Mark your tools with your postcode and house number or the first two letters of your house name and place the details on www.immobilise.com. Or, permanently mark them by scratching or painting: this will also reduce their value to the thief.
- Don't leave ladders outside, or chain them up.
- Replace standard door hinges on sheds and outbuildings with strap hinges secured by coach bolts. Or, use security screws on existing hinges.
- Use good quality locks to secure your gates and doors. A tough pad bar (also called hasp and staple) fitted with a strong padlock and secured with coach bolts is the most effective way of securing a door.
- Fit up-and-over garage doors with a padlock with a hasp and staple on each side. Specialist locks for such doors are also available.
- Double garage doors with a rim latch should be supplemented with a mortice deadlock. If the garage is attached to the main building ensure that connecting doors are secure.
- Install outside security lighting operated by either movement sensor or photo electric cell (Dusk to Dawn light).
- Check that your household insurance covers theft from your garden and outbuildings.
- Fit a battery operated alarm. Speak your local crime prevention officer for advice.
- Fit a window grille and/or frosted window film to stop a thief seeing into your shed or garage. Chain tools, cycles and other valuable equipment together with a good quality chain and padlock.
- Photograph valuable and unusual garden ornaments and keep these in a secure place.

DOG MESS

There have been a large number of complaints about the amount of dog mess around the village that appears to be getting worse. This also includes reports of bags of dog mess being thrown into trees and hedges. Although the majority of dog owners are behaving responsibly by bagging and binning, the mess on the pavements indicate that there are some who are not.

There are a number of dog bins around the village which are emptied regularly by the council. These can be found near Spurwells, Merryfield lane, Rod lane and near the cemetery.

The Councils dog warden has been contacted about the problem and has put up signs around the village to remind dog owners of their responsibility. Extra patrols will also be made to monitor the situation.

Failure to clean up after your dog is a criminal offence. Anyone observed by the dog warden failing to clear up after their dog will be served with a fixed penalty notice or reported for a potential prosecution. If you are aware of specific individuals allowing their dog(s) to foul, please report them to the dog warden by calling 01935 462462.

Areas of responsibility and useful numbers

There have been a number of questions raised recently about areas of responsibility for repairs around the village and who problems should be reported to.

The following is intended as a guide to try and help.

The Parish Council has responsibility for some of the grass cutting around the village including the Recreation Ground, Church yard, Cemetery, Village Green. Also the recreation ground itself and Brook Common. Any issues with these areas can be reported to the Parish Clerk Sue Morley on 53378.

The District Council has a wide range of responsibilities such as Street Cleaning, Waste collection, Planning, Stray Dogs and fouling. More details can be found on their website at www.southsomerset.gov.uk or by contacting 01935 462462.

The County Council also has a wide range of responsibilities which include Highways, Pavements, Schools, Social Care, Libraries and Public Transport. More details can be found on their website at www.somerset.gov.uk or by contacting 0845 345 9166.

Saturday June 22nd - Summer Fayre

We will be holding a summer fayre this year in and around the church (and possibly on the green) on the above date. Amongst other attractions we will be running clothes, books and toy stalls so if you have any items that you think are suitable, between now and June, please would you call us and we will collect.

Call Jacqueline on 54164, Dinah on 54230 or Kate on 55308. Thank you, in advance, for any help you can give.

Sue Steele is your District Councillor. She can be contacted on 01460281345, or via her website www.susansteele.co.uk

Parish Council

This is to enable members of the community to raise any issues that may concern them. The clerk is Ms Sue Morley who can be contacted on 01460-53378. See notice board for dates of meetings.

Welcome

Welcome to the February 2013 issue of Ilton Talking.

Fly Tipping

Fly tipping is on the increase around Ilton with rubbish being illegally dumped in areas such as Brook Common, The old railway halt and Frost lane among others.

People are being warned by South Somerset District Council to check out exactly where their waste is going if they pay a handyperson or company to take it away, or potentially face a fine of up to £5,000.

If you do employ someone to take your waste away you must make sure that they have a 'waste carrier's number'. You can call on the Environment Agency on 08708 506506 or visit their website.

Potentially if you don't check that they are authorised and they then dump your waste illegally, you could be found liable to a fine or a criminal record under fly tipping legislation.

Flytippers could be liable to a fine of up to £50,000, imprisonment and a criminal record. If caught

For more information and advice or to report flytipping please contact South Somerset District Council's Streetscene Enforcement on 01935 462462.

Hedgerows and Grass verges

Whilst the local authority cut the hedgerows and verges along the roads only a few times each year, this is a reminder that householders do have a responsibility to ensure that the hedges and verges of their own properties do not cause an obstruction to the pavements footpaths or the highway.

It also helps to make the village look more tidy and pleasant.

If you feel that the highways has missed an area they are responsible for you can contact them on

MERRYFIELD HALL

INFORMATION FOR HIRERS OF THE HALL

BOOKING DEPOSITS

As agreed at the Trustees meeting on 25th April, new arrangements will take effect from Monday, 7th May 2012 requiring hirers to lodge a deposit of **£20 (twenty pounds)** with the Booking Secretary at the time of making a one-off booking, or series of bookings, to hire the Hall.

This principle was advertised in 'Ilton Talking' of **October 2011**, as well as other requirements to ensure the Hall is left neat and tidy.

A booking **will NOT be secured** until the deposit has been received.

This means that, if proposed bookings clash, the first to pay the deposit will secure the booking.

The deposit can be cash, or preferably a cheque made payable to Merryfield Hall, which will be handed back to the hirer once the Hall has been left undamaged, clean and tidy.

For bookings already made it would be advisable to lodge the deposit with the Hall committee as soon as possible.

PLEASE REMEMBER :

NO DEPOSIT = NO BOOKING = NO KEYS

MERRYFIELD HALL - INCREASE IN HIRE RATES

At the Trustees' meeting of 22nd January 2013 it was resolved that with effect from **1st April 2013** the hourly hire rates for Merryfield Hall **will be increased by £1**. This has been brought about by increased costs and the occasional instance of theft; for example, a large roll of paper hand towels.

Thus the rates from 1st April will be £6/hr for Ilton residents, £7/hr for hirers from outside the parish.

Merryfield Hall **News**

The Merryfield Hall committee are pleased to announce that they have, once again, acquired the 5-star food hygiene rating from Somerset County Council.

Merryfield Hall Bookings Clerk

If you would like to book the village hall for any of your celebrations then please ring Jemma on 01460 55294 or 07889 – 960600.

Can You Help?

If anyone has any spare tea towels that they would like to donate for use in the village hall we'd be very grateful! (Numbers seem to have depleted somewhat recently!!) Contact me Jacqueline on 54164 and I'll collect, thank you.

FOOTPATHS

Please close the gates.

There are a number of very pleasant walks around the village on public footpaths. Most of these are marked with posts. They are walked regularly to check if they are accessible and all the gates are in good order.

There have recently been complaints from landowners about gates being left open which could result in animals escaping from the fields and also dogs not being kept under control and frightening livestock.

If you find any problems with any of the footpaths, please contact The Parish Council.

SECRETARIES WANTED!

Two of Iltons charities, the Wadhams Almshouses and Merryfield Hall, are looking for your help! If you are looking to become involved with the village in any way this could be for you.

The Wadhams Almshouse trust meets 3 or 4 times a year whilst the village hall committee meets 6 times.

The Wadhams trust is a small committee of 4 - 5 people and you would ideally be a member of that committee.

The hall committee has approx 6 - 8 members and although you would attend the meetings you would not necessarily have to join the committee (though it would be great if you did!!) Both charities would need you to take minutes at their meetings and send/receive any relevant mail - probably requiring 2-3 hours of your time per month, max.

If you can help we will be most grateful and look forward to hearing from you - in the first instance, please call Mark Bennett on 54164.
