Local Councils, Internal Drainage Boards and other Smaller Authorities in England
Annual Governance and Accountability Return 2017/18 Part 2

To be completed only by smaller authorities* where the higher of gross income or gross expenditure was £25,000 or less, that meet the qualifying criteria, and that wish to certify themselves as exempt from a limited assurance review

Guidance notes on completing Part 2 of the Annual Governance and Accountability Return 2017/18

1. Every smaller authority in England where the higher of gross income or gross expenditure was £25,000 or less must following the end of each financial year, complete Part 2 of the Annual Governance and Accountability Return in accordance with Proper Practices, unless the authority:
   a) does not meet the qualifying criteria;
   b) does not wish to certify itself as exempt

2. Smaller authorities where the higher of gross annual income or gross annual expenditure does not exceed £25,000 and meet the qualifying criteria as set out in the Certificate of Exemption are exempt from sending the completed Annual Governance and Accountability Return to the external auditor for a limited assurance review provided the authority completes both:
   a) Certificate of Exemption, page 3 and returns it to the external auditor
   b) Annual Governance and Accountability Return (Part 2) which is made up of:
      • Annual Internal Audit Report (page 4) to be completed by the authority's internal auditor.
      • Section 1 – Annual Governance Statement (page 5) to be completed by the authority.
      • Section 2 – Accounting Statements (page 6) to be completed by the authority.

3. The authority must approve Section 1 Annual Governance Statement before approving Section 2 Accounting Statements and both must be approved before 2 July 2018.

Publication Requirements
Smaller authorities must publish various documents on a public website as required by the Accounts and Audit Regulations 2015, the Local Audit (Smaller Authorities) Regulations 2015 and the Transparency Code for Smaller Authorities. These include:
- Certificate of Exemption, page 3
- Annual Internal Audit Report 2017/18, page 4
- Section 1 – Annual Governance Statement 2017/18, page 5
- Section 2 – Accounting Statements 2017/18, page 6
- Analysis of variances
- Bank reconciliation
- Notice of the period for the exercise of public rights and other information required by Regulation 15 (2), Accounts and Audit Regulations 2015.

Limited Assurance Review
Providing the authority certifies itself as exempt, and completes and publishes the Annual Governance and Accountability Return, there is no requirement for the authority to have a limited assurance review.

Any smaller authority may, however, request a limited assurance review. In these circumstances the authority should not certify itself as exempt, ie not complete Certificate of Exemption, but complete Part 3 of the Annual Governance and Accountability Return 2017/18 and return it to the external auditor for review.

The cost to the smaller authority for the review will be £200 +VAT
Guidance notes on completing Part 2 of the Annual Governance and Accountability Return 2017/18, Sections 1 and 2

- Where an authority is exempt from the requirement for a limited assurance review, it need not submit its Annual Governance and Accountability Return to the external auditor. However, as part of a more proportionate regime, the authority must comply with the requirements of the Transparency Code for Smaller Authorities.

- The authority must comply with Proper Practices in completing this Annual Governance and Accountability Return and the Certificate of Exemption. Proper Practices are found in the Practitioners’ Guide* which is updated from time to time and contains everything needed to prepare successfully for the financial year-end.

- The authority should receive and note the annual internal audit report prior to approving the annual governance statement and before approving the accounts.

- Make sure that the Annual Governance and Accountability Return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed annual return. Any amendments must be approved by the authority and properly initialled.

- Use the checklist provided below to review the Annual Governance and Accountability Return for completeness at the meeting at which it is signed off.

- You should inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant email addresses and telephone numbers.

- It is recommended that the authority has numerical and narrative explanations for significant variances in the accounting statements on page 4, should a question be raised by a local elector. There is guidance provided in the Practitioners’ Guide* that may assist.

- Make sure that the accounting statements add up and the balance carried forward from the previous year (Box 7 of 2017) equals the balance brought forward in the current year (Box 1 of 2018).

- The Responsible Financial Officer (RFO), on behalf of the authority, must set the commencement date for the exercise of public rights. From the commencement date for a single period of 30 consecutive working days, the accounts and accounting records can be inspected. Whatever period the RFO sets must include a common inspection period – during which the accounts and accounting records of all smaller authorities must be available for public inspection – of the first ten working days of July.

- The authority must publish the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor.

Certificate of Exemption
To be completed only by smaller authorities where the higher of gross income or gross expenditure did not exceed £25,000 in the year of account ended 31 March 2018, and that wish to certify themselves as exempt from a limited assurance review under Section 9 of the Local Audit (Smaller Authorities) Regulations 2015

There is no requirement to have a limited assurance review or to submit an Annual Governance and Accountability Return to the external auditor, provided that the authority has certified itself as exempt at a meeting of the authority after 31 March 2018 and a completed Certificate of Exemption is submitted notifying the external auditor.

Hasfield Parish Meeting

certifies that during the financial year 2017/18, the higher of the authority’s gross income for the year or gross annual expenditure, for the year did not exceed £25,000.

Annual gross income for the authority 2017/18:
£1,298

Annual gross expenditure for the authority 2017/18:
£940

There are certain circumstances in which an authority will be unable to certify itself as exempt, so that a limited assurance review will still be required. If an authority is unable to confirm the statements below then it cannot certify itself as exempt and it must submit the completed Annual Governance and Accountability Return Part 3 to the external auditor to undertake a limited assurance review for which a fee of £200 +VAT will be payable.

By signing this Certificate of Exemption you are confirming that:

• The authority has been in existence since before 1st April 2014
• In relation to the preceding financial year (2016/17), the external auditor has not:
  • issued a public interest report in respect of the authority or any entity connected with it
  • made a statutory recommendation to the authority relating to the authority or any entity connected with it
  • issued an advisory notice under paragraph 1(1) of Schedule 8 to the Audit and Accountability Act 2014 ("the Act"), and has not withdrawn the notice
  • commenced judicial review proceedings under section 31(1) of the Act
  • made an application under section 28(1) of the Act for a declaration that an item of account is unlawful, and the application has not been withdrawn nor has the court refused to make the declaration
• The court has not declared an item of account unlawful after a person made an appeal under section 28(3) of the Act.

If you are able to confirm that the above statements apply and that the authority neither received gross income, nor incurred gross expenditure, exceeding £25,000, then the Certificate of Exemption can be signed and submitted to the external auditor.

The Annual Internal Audit Report, Annual Governance Statement, Annual Accounting Statements, an analysis of variances and the bank reconciliation plus the information required by Regulation 15 (2), Accounts and Audit Regulations 2015 including the period for the exercise of public rights still need to be fully completed and, along with a copy of this certificate, published on a public website* before 2 July 2018. By signing this certificate you are also confirming that this will be done.
