Notes on the Gift Aid scheme for donations and regular giving

Gift Aid means that the Group can reclaim, from the Inland Revenue, tax paid on subscriptions by a tax payer, so your son/daughter's £66 payment can be reclaimed.

It is because of the extra income raised so far that we have been able to keep subscriptions low while still providing the essential support that the Sections need to provide Scouting activities for the boys and girls. In order to keep subscriptions as low as possible, we encourage **all** parents to participate in the scheme.

1. There is absolutely no tax liability to parents. The Inland Revenue is refunding monies to the Group out of the tax that **you have already paid**.
2. The declaration states that it commenced on 6th April 2013. This is to enable the Group to claim during each tax year and means that we will get a refund on subscriptions already paid. The declaration stays in force until you cancel it.
3. If subscriptions are increased in the future a new declaration is **not** required.
4. A single declaration covers all of your children.
5. The declaration **must** be signed by a parent who is liable for tax.
6. The declaration **must** be dated with the date on which you sign it.

Finally, we do encourage you to participate, it really does cost you **nothing** and it means your son/daughter benefits directly from the tax you have to pay.
