LETTER FROM THE ARCHDEACON OF OAKHAM

And now for something completely different...

Following the dramas of the weeks leading up to the summer holidays – political, sporting and climatic – I hope that you have found rest and refreshment in the time that has followed, and are ready to take up afresh the challenges that lie ahead.

Whilst the church calendar begins with Advent and the secular one begins with January, I think it is safe to say that the school year is what really shapes the pattern of Church life. So we begin afresh this month – seeking to engage in targeted mission, to offer the best in worship and pastoral care, and to grow deeper in our own Christian discipleship. Whatever form these activities take for you personally and in the life of that part of the Church and the Kingdom in which you are called to serve, may this be a fruitful year for you.

A question we might like to ask ourselves is: do we resume our activities on auto-pilot – treading a familiar path, perhaps rather stuck in an established groove – or are we ready to try new things, to leave our personal comfort zones and to take risks in the service of the One who risked everything for us?

The beauty of Church life is that we are not alone – we are in this together. Let us encourage one another to be bold, to discern what we are being called to be and to do, and to have the courage to step out and get on with it.

Two of my Christian heroes are Dietrich Bonhoeffer and Ignatius Loyola. Both were prayerful men of action. Bonhoeffer, the German Lutheran pastor and theologian who was imprisoned and killed for his part in a

conspiracy against Hitler – a conspiracy with the aim of bringing the Nazi atrocity to an end – wrote from his prison cell a meditation for the baptism of his godson, Dietrich Bethge, who is now 75 years old and an internationally-renowned cellist. In this baptism meditation, Bonhoeffer wrote:

We can be Christians today in only two ways, through prayer and doing justice among human beings. All Christian thinking, talking, and organising must be born anew, out of that prayer and action.

Ignatius Loyola, the 16th century Spanish priest and founder of the international religious order, the Jesuits, famously wrote:

Act as though everything depended upon you but pray as though everything depended on God.

May this new school year be one of deep prayer and bold action throughout the Diocese, as we seek to tackle the challenges and opportunities that lie before us. May we be neither timid on the one hand, nor complacent on the other, but may we be ready to play our part afresh and to the full in the adventure of faith and the mission of the Church.

May God bless us as we seek, in our day, to be faithful to our Christian calling, and to be people of prayer and action – whatever form that may be called to take.

Gordon Steele
Archdeacon of Oakham

BENEFICE PAGE

EVENING SERVICE OF THE WORD

This service is held once a month on Tuesday evening (following the third Sunday of the month) at 6.30pm at St. Mary's Badby. Led in turn by some of those who attend, there is always a brief talk about somebody inspirational. All welcome! Forward ESOW dates are 17 September and 22 October.

WHAT IS THE "PARISH SHARE"?

Last month the Archdeacon of Northampton wrote a Letter in The Link explaining the procedure for appointing a new Rector, and in that letter he made mention of the "Parish Share" and noted that our benefice (amongst others) had been underpaying our share. A number of readers have been asking "What is the Parish Share? - so this is an attempt to explain briefly what it is.

There is a significant cost to providing an incumbent (variously called Rector, Vicar, Parish Priest etc.), and in this diocese that amounts to some £67,000 per year, which needs to be paid by every parish or benefice where there is a full time incumbent. This sum may seem large, but it is made up of various factors. The basic Stipend (salary) is £26,339, but on top of this are National Insurance and pension contributions, which amount to another £11,942. Then there is the cost of housing at £11,207, and finally a share of various training and appointment costs of £17,567.

That then is the cost of providing the Rector, divided amongst the 5 parishes by a formula broadly relating to the size of each parish, and each parish needs to raise its share. This is what the Archdeacon was talking about.

That however is not the end of the financial costs. Each parish also has to meet numerous other expenses to run its church; insurance, heating, lighting, repairs etc. These vary a little from parish to parish but average around £10,000 per parish per year.

Thus we are looking at total running costs approaching £120,000 per year. Given that there are approximately 750 households in the 5 villages, that equates to £156 a year (or £3 week) per household. Some of this comes from regular giving

by parishioners month by month, and the rest from various fund raising events.

All the parishes are having real difficulties in finding this money year in and year out, but if we don't want to lose our churches or our Rector we must find it somewhere. So that is the reason why your village PCC may be asking you to consider increasing (or stating) regular donations and/or supporting fund raising activities.

RIDE AND STRIDE 2019 Saturday 14th September.

This annual event to raise funds for our churches will this year take place on Saturday 14 September. Details of the particular arrangements for your village will be found in the Parish Notices section. We must stress how much fun the participants have, quite apart from the keeping fit angle, and raising precious money. Why not make up a party for a day of enjoyable cycling or walking (like to x 15 churches in Northampton?) and see just how many churches you can visit? The idea is to get sponsorship per church visited / mile! / saddle hour / or even just a donation.

Remember that your church receives half the money anyone raises, AND as supporters of the Trust, we (the PCC) can apply for grants toward church Restoration expenditure. This is a really good cause.

NEWNHAM PARISH COUNCIL

CHAIRMAN – TERRY REGAN JP
CLERK – MARION MONEY 07955 644586

Progress continues to be made towards the creation of a new Parish website. The intention is that this will become a community website as opposed to a website simply dealing with Parish Council aspects.

Decisions are currently being considered by a working party as to the format and style of the website along with other technical aspects, but in essence it will not be dissimilar to the websites which exist for Daventry Town, Weedon Bec or Crick. Do have a look at these so you have some idea as to what the website will look like.

Once the structure of the site has been determined then we will be inviting all and any local organisations if they would like to have their own page(s) on the website. This will mean for instance that the Village Hall, the Church, the Girl Guides, Playgroups, the Allotment Association, the Bell Ringers, the Women's Institute etc, etc will have their own page(s) which they will control and edit themselves.

If you are involved in anything in the community where you consider you may benefit from having a dedicated page, then please get in touch so that at the appropriate time we can contact all interested parties.

With there being no meeting in August our next meeting is on Monday 2nd September in the Village Hall starting at 19.30.
