Dear Mr Lau

**WALTHAMSTOW STADIUM 300 CHINGFORD ROAD CHINGFORD E4 8SL
Planning Application 2011/0898**

Thank you for your notification of the revisions to the planning application for the redevelopment of the Walthamstow Dog Track for a housing led scheme. We welcome the reduction in the height of the blocks next to the Entrance Tote, but remain concerned about the massing in the centre of site with relation to the setting of the listed buildings. We remain concerned about the juxtaposition of scales next to the listed kennels provided by the proposed part 8 storey building.

Please note that this response relates to historic building and historic area matters only. If there are any archaeological implications to the proposals it is recommended that you contact the Greater London Archaeological Advisory Service for further advice (Tel: 020 7973 3735).

Yours sincerely
