SIMPLE GIFTS

Every generous act of giving,
with every perfect gift, is from above ...
(James 1:17)

DO YOU KNOW WHAT YOUR CHURCH COSTS?

The PCC appreciates that everyone is having to economise in the current financial climate. However, we thought that members of the congregation should know the cost of some of the visible necessities of Mass, the things which we all take for granted but which we could not do without.

Our weekly giving does not cover our expenses so we are slowly using up our reserves. We have to look at creative ways of cutting costs but also of raising funds.

HOW CAN YOU HELP?

For many years, so many of you have contributed to the decoration of the church with flowers, for thanksgivings or anniversaries and to commemorate times in our lives which are deeply personal - or at Christmas and Easter.

Many of you have asked how else you can contribute by way of a one-off donation, in addition to your regular giving. In response, the PCC are launching Simple Gifts, a way in which you can make a donation towards other aspects of our worship.

All donations will be dedicated to the gift you have chosen and will be recorded with thanksgiving and to the Glory of God during the Notices and on the Pew Sheet.

To make your donation please tick your item, complete the form on the back page and seal it in an envelope marked Simple Gifts together with your donation (cheques should be made payable to St Clement with St Peter) and place it in the Offertory Plate.
