Delivered in 64 venues across Wiltshire

# Foreword

In this brochure you will find information about the huge range of school holiday sports and physical activity opportunities offered or supported by Wiltshire Council, covering 64 venues across the county. Sport plays a vital role in the lives of young people in Wiltshire and also the wider community – contributing to health and wellbeing, community cohesion and social interaction.

In Wiltshire we think it's vital that everyone has the opportunity to take part in sport and physical activity. As a result, we have been able to develop additional sports programmes to ensure residents can access high quality, local sport across the county.

Read on to find out more about what is available near you.

## Fun in the Sun (5 – 11 years)

Wiltshire Council's pledge to fund free swimming for young people during the school holidays continues. Children aged 16 and under can enjoy free swimming during most public swimming sessions at their local Wiltshire Council, Places for People and community managed leisure centres in Wiltshire.

Our free swimming times vary depending on which swimming venue is being attended. Please contact your local centre directly for further information or see page 26 of this brochure.
