4. Projects update

We have the go-ahead from the Cricket Club to create a garden using raised beds. IBL took the action to investigate the cost of buying the materials to implement this. Children from Bellsquarry primary school and Bright Horizons are expected to be involved in the implementation of the garden.

The Murieston Community Council (MCC) grant application from the "New Town Fund" has been successful. MCC will handle the project management of this. MEG is going to get involved with the creation of the wild flower meadow and forest garden (items B and C in the Town Centre Fund Application). IBL took the action to put together a quote for the necessary work in line with the scope and budget that has been authorized.
