

Lincoln Cursillo IMP SHEET Issue #87 November 2016

## LAY DIRECTORS REPORT

When at Secretariat, John Pollard says the words, 'I am planning to get an Imp sheet out.' He is saying please can I have your letter!

It was a joy a couple of weeks ago to be at the Autumn Ultreya at Hibaldstow. Thank you to Stuart, Lesley and the Scunthorpe reunion group for planning the Ultreya. An uplifting service, in which Jeff reminded us about what Cursillo is. Then Kath's powerful witness talk. I am sure we can all relate to situations that Kath spoke off on her faith journey, a reminder of how we move on. Thank you, Kath.

We are called to prayer, study and action. Prayer and study times can be quite powerful when we spend time waiting on the Lord. Recently, while I was feeling some pressure and being pulled in many directions, during my prayer time I was led to a prayer. I use the Celtic Daily prayer book, The Journey Begins, which I feel quite helpful. Here is the prayer:

Lord, help me now to unclutter my life, to organise myself in the direction of simplicity. Lord, teach me to listen to my heart; teach me to welcome change, instead of fearing it. Lord, I give you the stirrings inside me. I give you my discontent, I give you my restlessness, I give you my doubt, I give you my despair, I give you all the longings I hold inside. Help me to listen to these signs of change, of growth; to listen seriously and follow where they lead through the breathtaking empty space of an open door. Amen

Yes, by waiting on the Lord he does speak to us. This prayer helped me hand over the following concerns:

You will be reading in this Imp sheet David's report on our finances, as things are he feels that after #34 we may not be able to fund another weekend. So, prayer and action required please.

Another area of concern is the availability of Music Imps. Are any of you hiding a musical talent under a bush. If so would you pray about offering your services as a Music Imp. I have heard some Cursillos' have had to resort to CDs for music. I pray that it isn't a direction we have to take.

Wishing you all every Blessings Ultreya Sandra

## SPIRITUAL DIRECTORS REPORT

Some of you attended the National Ultreya at York at the beginning of September.

It was well organised, it had laughter, singing & lifted our spirits.

A few people had lifted spirits in the pub, the night before, but that's another story.

We heard a witness talk with responses from the audience. And, there was an imaginary witness talk, from an imaginary Pilgrim, who had attended an imaginary Cursillo Weekend, in an imaginary Diocese, somewhere in deepest, darkest North Yorkshire. It was given in dialect, in a broad Yorkshire accent. Being Yorkshire, born & bred, I understood every word! It was so funny, yet so poignant. I laughed so much that I hurt.

Back at home, it all made me think about the purpose of Cursillo, about 3 day Weekends, & about Ultreyas. What is Cursillo for, what's its purpose? From your own knowledge, a person leaves their own parish for a weekend, & they experience God, in familiar ways, & in new ways. They are surrounded with love, prayer, & faith.

They are well fed, & housed.

They attend talks (many talks!),

They sing a lot, then they sing more.

They laugh a lot!

They are surprised.

They receive cards from strangers.

They do artwork, the like of which they haven't done since they left school!

They attend services, every day.

They are given a faith booster, a shot in the arm.

And when they're tired out & exhausted, we send them home in a bemused, but often euphoric state. Many of us have experienced all that.

So, what is an Ultreya, what's its purpose? We know that "Ultreya" is a Spanish word, derived from the original Latin, meaning Onward! It was in common use by pilgrims to greet & to encourage one another along the way. Now we use the word to signify the meetings held after a Cursillo experience.

At an Ultreya, we try to create a happy & joyful atmosphere, where members can share their life experiences. It's usually based on the three tenets of Cursillo life: Prayer, Study and Action.

This sharing of our real-life experiences, serve as examples to all of us of the challenge which Jesus lays before His followers: "Go & do likewise."

The Ulyreya, as its name implies, is a call to move forward & to keep the flame of the Cursillo burning brightly.

We have Group Reunions, they are really Ultreyas, isn't that enough?

We have Diocesan Reunions, like this one, isn't that enough?

We have national Ultreyas, isn't that enough?

Sometimes, life is mundane, other times it's difficult, other times it is wonderful.

Sometimes, we need another faith booster, another shot in the arm.

The purpose of an Ultreya is to take us away from our everyday lives, to open ourselves up to God, so we can feel the wind of the Holy Spirit, blowing on our faith, livening it up, & making it glow brightly. We come along, meet other Cursillistas, we sing, laugh, attend a service of worship, eat & drink. Usually, there isn't any artwork!

So come to Ultreyas, whenever you can. As Paul said to the Philippians

"Rejoice in the Lord always; again I say, Rejoice".

Be prepared to feel the wind of the Holy Spirit, welcome it, embrace it, let it glow in you, & through you. Let me tell you a story about Sufis.

The Sufis are an inner sect of the Muslim faith. A group of Sufi followers were despairing because their leader was about to die.

The leader's disciples asked the leader, "If you leave us, Master, how will we know what to do?" The master replied, "I am nothing but a finger pointing at the moon. Perhaps, when I am gone you will see the moon."

In Cursillo, we point people towards God, we help them to draw them nearer to God. But Cursillo itself should never be the centre of attention. In Cursillo Weekends, in Group reunions, in Ultreyas great & small, we seek to be bring people to joyful worship. We seek to help each other to rejoice in God. Today, we seek to renew our enthusiasm, to point each other to God, to rekindle our faith, to give & receive, a faith booster, another shot in the arm.

"Rejoice in the Lord always; again I will say, Rejoice."

Jeff

## FUNDING OUR VERY SPECIAL "WEEKENDS"

Dear Cursillistas,

None of us will forget our life changing Cursillo Weekend and it is important that we continue to offer this experience to future Cursillistas. We have continued to subsidize this weekend so that it is available to everyone, but this is depleting our bank balance. The Secretariat are looking to increase our income.

The weekend costs £6000 and we receive contributions of £3000 towards it, each pilgrim and member of staff paying £160.

To date our current bank balance will allow us to fund the weekend in 2017, but there will not be enough money to offer the 2018 weekend unless our income increases significantly.

The Secretariat continue to seek the best deal when booking a weekend. Also we are looking to see if the Diocese can help in any way, whilst we are maximizing funding via the gift aid system. We continue to receive generous donations from some wonderful people via standing orders and other contributions. Those others of us, are you able to increase your giving? We are now asking to consider completing a standing order, or making a one-off donation. There is also the idea that group reunions could consider sponsoring a pilgrim via donations, even if you haven't got Pilgrim, fund raising etc. but of course, we are open to any other ideas you may have.

If you feel able to increase your regular giving or wish to now give by standing order, please contact me and I will let you have the appropriate forms.

We have faith that the Lord will provide and we ask that you pray for a solution Ultreya !!

David Simcox Treasurer

## SPREADING THE NEWS

As the publicity Rep for Cursillo I can promote Cursillo in 'Crosslinks' but am unable to visit individual benefices/deaneries. Can you help?

Please can you make sure (with the priest's permission) that your church/benefice has an up to date poster and a few 3 fold leaflets. These can be downloaded from the web page or contact me for a poster. Could you speck about Cursillo at your PCC or Deanery Synod meeting? A short 5 minute talk would perhaps be enough, get someone to help you.

#### Email Addresses

Did you notice that in the advert for the Winter Event that Angela Simcox has a new email address? All members of the secretariat have an email for the post. It's what is called a redirect address. When you send an email to the appropriate address it is automatically redirected to the persons normal email address. It's very useful for using in posters, websites such as our own http://lincolncursillo.btck.co.uk or BACC's http://www.anglicancursillo.co.uk were you need to show a post but not the name of the individual. Thus when the person changes there is no need to change the website. This is done in-house by the web editor.

Unfortunately we can't send emails using these addresses and if you have received on and reply then that will be sent from your normal email address.
