Mirfield Community Centre News

May 2015 – Edition 1

THANK YOU MIRFIELD COMMUNITY!

We are not closing!

Everyone at Mirfield Community Centre would like to thank you for your support over recent weeks.

We are delighted to announce that Kirklees Council have confirmed that they will not be serving notice to terminate our management agreement and are now exploring our asset transfer request.

As such, we will continue to remain open and look forward to continuing working with our user groups; their members and our community supporters.

We received almost 1,000 signatures both online and on our paper petitions and cannot thank everyone enough for their support.

As we continue to work towards achieving the asset transfer we will update our community frequently. With lots of planned actions and events, the continued support of you all will be appreciated and we are very excited for the future.

MCC Management will install a new boiler over the summer months in time for autumn classes. Please sign up via our website or social media pages for email updates.
