## Tubbs Turf Family Fun & Finals Day – Saturday 9<sup>th</sup> July from 12noon until 6pm

Bring family and friends and come and enjoy a lovely fun filled afternoon and garden party at Tubbs Turf. The finals of the highly contested tennis tournament, table tennis knock out competition, shoot the hoop basketball contest, netball match, junior fun tennis, and also... the speed gun challenge – who has the fastest serve? Kingswood school will also be performing their country dancing display. So come and play, watch, relax, enjoy, in the beautiful gardens of Tubbs Turf. Don't forget the delicious refreshments too - BBQ, Local Beer & Pimms, homemade cakes, drinks. Also the raffle with some great prizes kindly donated by local businesses. Lots going on. Look out for the free programme through your door for further details. Fun for all the family and only a walk away.

## Jubilee Club

The club recently held its Annual Meeting when, without much surprise, all the officers and committee were re-elected. In his report, the Chairman commented on the improved financial standing of the club thanks to two different grants totalling £1300. However, such grants cannot be expected next year. The finances were further improved by hosting Town Hall Teas on Bank Holiday Sunday, when in excess of £270 was raised. Thanks to club members for helping in whatever way they did and particularly to the three new members. We now look forward to all the interesting entertainers scheduled to come to us, and the Cream Tea in August, financed by grants.

## Kingswood Clear-up – held on Saturday 21<sup>st</sup> May

A very successful clear-up event around the village with many local residents and Parish Councillors attending and together collecting 14 refuse bags full of dropped litter. Leyhill completed a litter pick of the verges leading in and out of the village a few days prior to our clean up, this was extremely successful and over 20 bags were filled. I was delighted to see so many people attending the event and received some brilliant feedback about arranging another in the autumn. I am extremely grateful to everyone who attended and helped. If anyone would like to assist in the autumn please contact me and we can discuss the arrangements.

(Rod 843398).

## A polite note from a resident of Charfield Road

Could all dog owners using the Charfield Road/Tyndale View area please clean up after their dogs. It is NOT acceptable to leave dog faeces on the grass adjacent to footpaths, where young children walk to and from school.

## KINGSWOOD ABBEY WOMEN'S INSTITUTE

At their June meeting Kingswood Abbey WI members were given an interesting talk then a wonderful demonstration of falconry by Tony Bryant and his birds of prey - to see a Harris hawk flying over our heads in the Community room then returning to Tony's outstretched arm for a treat of raw beef was amazing. We were lucky that the fine weather meant we could also watch an outdoor demonstration of the birds' prowess in hunting. At next month's meeting on Tuesday, **July 12<sup>th</sup>** at 7.30pm in the Village Hall, WI member Kaz Ito will do a demonstration of Japanese sweet making and afterwards we will enjoy a Pimms and Pudding evening. Do join us on **Sunday 10<sup>th</sup> July** at Wotton Town Hall when we will be serving the Town Hall teas from 2-5pm. The **August** meeting on **Tuesday 9<sup>th</sup>** at 3pm will be a Garden Party at the home of Sue and Paul McClung.

## Kingswood Playgroup

A busy few weeks at playgroup, with our 16 pre-schoolers enjoying regular visits to reception class at Kingswood Primary. They walk to the school one morning each week and stay for around 45 minutes. This week we also enjoyed our summer trip to Cattle Country, involving animal feeding, fun in the sandpit and playbarns, and splashing around in the paddling pool. We've also had a visit from a photographer to get some professional pictures – and the results were just adorable. This term we're also looking forward to the playgroup sports day and leaver's concert to celebrate and say farewell to the children going to school in September.

**St Marys' Church Vision for the Future Day July 6<sup>th</sup>** - Together with churches across the Diocese of Gloucester, St Mary's church is seeking the views of both churchgoers and non-churchgoers about what our church community should be doing in the future and what we could do to achieve this. There will be a number of sessions throughout the day. 8.30-9.45 Morning prayer followed by coffee and croissants. 2-30 -4.30 with tea and cake on offer. : 7-8.30 with wine and nibbles finishing with a short act of worship. **Planning - Wickwar Road** – Application for 61 houses now received and can be viewed on the SDC website [www.stroud.gov.uk](http://www.stroud.gov.uk)

Ref 16/0629/ful. Please send comments on the proposed development by post to the District Council or by accessing the website.

**The Chestnut Park Appeal** – Sadly, the High Court ruled that the application to apply for a Judicial Review into the decision to allow the 51 houses at Chestnut Park has been refused. The Parish Council is in talks with SDC about this and will update further in due course. Crest Nicholson has now submitted a full planning application. This will soon be available to view on the S DC website.

**Charfield Road** – Gladman development. The appeal into this application will be heard either later this year or in early 2017. The parish council is pleased to confirm that the Campaign for the Protection of Rural England (CPRE) will be acting for the parish council at this appeal. The Statement of case for this appeal should shortly be available to view on the Planning Inspectorate website -

Comments can also be viewed on the Stroud District Council's web site at <http://www.stroud.gov.uk/apps/planning>

**Wild about Kingswood** – The Parish Council is managing the land at Chestnut Park and Tyndale View in partnership with Stroud Valleys Project for the first year. The intention then is that the parish council with the community will manage the area. Please can you let the Clerk know if you would like to volunteer to help. The following free events have been organised on the land at Chestnut Park. Please put the dates in your diary, come along, and find out more about the varied wildlife that we have here.

Pond Dipping - **Saturday 23<sup>rd</sup> July** 10.00 am – 2.00 pm

Bird Walk - **Saturday 30<sup>th</sup> July** 10.00 am – 12.00 pm.

Bat Walk **Thursday 25<sup>th</sup> August** 7.30 pm - 9.00 pm (International Bat Week)

**Garden Waste** – Please will all householders stop dumping garden waste around the village. Please sign up to the SDC Garden Waste Scheme or take it to a recycling site. It is unacceptable to dump any waste anywhere in the parish.

**Fly Tipping** – There have been a number of incidents of fly tipping. If anyone sees any fly tipping within the parish please can they report it either to the parish clerk or directly to Stroud District Council <http://www.stroud.gov.uk/#report>

**Hedges** – Please will all householders check that their hedges are not overgrowing onto the pavements and causing pedestrians to step into the road. It is understood that this is a particular problem on Hillesley Road and Wickwar Road.

**Dogs**- Reminder for all dog owners: Whilst dogs are allowed at the playing field, they are not allowed by the play equipment. All dogs should be under control. Owners, please ensure all dog mess is picked up and disposed of either in a bin or taken home with them.

**Facebook** – Please take a look and like the new Kingswood Parish Council Facebook account. It is hoped that by using Facebook we can keep members of the community up to date with activities in the parish.

**Allotments** – Those of you who have been in the village for a number of years will know that the parish council compiled a list of people who wished to rent an allotment in Kingswood. The land for allotments has now become available and the parish council is working on the details to enable the allotments to be available to the community later this year. Due to the proximity of the allotments to the wild life area and in particular to the protected Great Crested Newt (GCN), the allotment site will have to be managed in a very sensitive manner. It would now be helpful if you are still interested in an allotment to do the following;

1. Confirm your original interest or register a new interest in an allotment.
2. Indicate if you would be interested to sit on a managing committee to help manage the allotment site.
3. Indicate if you are willing to volunteer to help get the site ready for use. Please send this information to the clerk
