Creation Ministries presentation by UK Scientist and Educator, **Philip Bell**

**at Greasby Methodist Church, 7.30 pm on 18<sup>th</sup> October**

Many people today have concluded that science has proved the Bible wrong—that evolution is a fact and the Bible's account of origins is wrong. *Philip will be sharing his conviction that the bible is still completely authoritative in the 21<sup>st</sup> century and that numerous scientific facts and discoveries give powerful testimony to its total reliability. His presentation will include a question and answer session.*

No admission charge; a collection will be received for expenses. See poster and flyers for further details, or contact Mary Goh 0151 6324234

### **MWiB – MARY'S MEALS**

£9,000 was raised by MWiB Liverpool District for Mary's Meals. £429.15 was raised by Woodchurch as part of this total amount.

Thank you to everyone who contributed. The Autumn Gathering will be held at Old Roan Methodist Church on Tuesday 31 Oct at 10.30am. A representative from Mary's Meals will receive the cheque and a speaker from "Wirral Women and Children's Refuge" will talk about their work as this is our Project for the current year. For further info see Brenda B.
