Just a reminder that following the very successful session a couple of weeks ago we will be holding the "Handling Data Safely" session here at the Circuit Centre next Saturday, 24<sup>th</sup> February at 10:00am – the session will last between 1 ½ and 2 hours.

This will help prepare the churches for the changes to legislation around Data Protection that come into effect in May, and is aimed at those who have a responsibility for personal information in the churches: Church Council Secretaries, Pastoral Secretaries, Church Stewards Ministers, Treasurers etc. though all are of course welcome. It would be very helpful if those intending to come who have not already done so could book a space so that we know how many sets of handouts to prepare.
