

LARKINS BREWERY

Regular Beers

LARKINS TRADITIONAL: ABV 3.4%

This smooth Kentish style tawny session bitter provides a pleasing balance of our own hops and malt, with a surprisingly plentiful character for a beer of such low ABV.

LARKINS PALE: ABV 4.2%

A full flavoured Kentish-style pale ale, packed with hops grown on Larkins Farm and with not a hint of grapefruit!

LARKINS BEST BITTER: ABV 4.4%

This rich fruity ale is slightly darker and sweeter than the Traditional. Notes of summer fruits and caramel give way to a long bitter malt finish.

THE GUEST SIDES

Kennet Morris Men

are based in the Reading area, although you can see them performing throughout Berkshire and South Oxfordshire. This season they will be performing dances in the distinctive styles that developed in the Cotswold villages

St Albans Morris Men

were formed by Abbey members of St Albans Abbey in 1930 and still have the badge of the diocese on their costume. The side has been active members of The Morris Ring, since 1934. They dance in white shirts and trousers with blue and yellow baldricks - the colours of St Albans City - and brown shoes!

Trigg Morris Men

are based in Bodmin, Cornwall. They were established back in 1971 & dance in Black Breeches with Green Baldricks decorated with gold Celtic Ropework designs such as those found on old Cornish Crosses. The dances performed are those from the Traditions of: Bucknell, Fieldtown, Litchfield & Stanton Harcourt.

Victory Morris Men

from Portsmouth, Hampshire. Victory Morris have a reputation for singing. After the dancing at the second pub in the summer, the men retire to the bar and sing a selection of folk songs until the pub closes.

Wath-upon-Deerne Morris Men

are based in South Yorkshire and were formed in 1973, first dancing in 1974. They have evolved slowly since their inception and dance two distinct styles of Morris: Cotswold (specifically Bledington village) dances and Border Morris, from the English / Welsh borders.

Wessex Morris Men

were founded in 1957 by a group of young men out of The White Horse Morris Men. They dance mainly in the Cotswold traditions and a couple of border dances. They also have their own speciality fertility stick dance from Ceme Abbas:

The Hartley Morris Men's 65th Anniversary

The Hartley Morris Men are one of some 200 member sides of the Morris Ring which is the National Association of Men's Morris and Sword Dance Clubs. The mission of the Morris Ring is to encourage the performance of Morris dancing, to maintain its traditions and preserve its history. Every year several Ring Meetings are held, hosted by local clubs, and dancers from all over the country are invited to attend. Each Morris club has its own distinctive kit so the sight of several sides dancing together at a massed display is quite a colourful spectacle.

The Morris Ring was formed in 1934, the same year as Hartley Morris Men's predecessors the Stansted Morris Men who danced up until 1939. Some of them stayed together and in 1952 became founder members of the Hartley Morris Men.

Which means we have been going for 65 years.

We may have started in Hartley Village, but since 1977 we have have been based in Wrotham at St George's Hall. We are proud to invite Ring Member sides from all around the country to join us in Wrotham to celebrate our anniversary.

Our beers are full of character. And they taste great too.

How do we know? Because our customers have been telling us since 2003.

Our uniqueness comes from our own live house yeast, freshly-crushed malt and whole hops, which we expertly combine to give a well-balanced, clean finish. Traditional, distinctive, simple and great tasting.
