**FINANCE**

8.1 Finance Statement

It was noted by CH & GS that some of the dates on the finance statement had been mistyped as 2015 rather than 2016. The council agreed to ask the clerk to resolve this. The finance statement at 10/12/16 was agreed and signed, allowing for the aforementioned errors.

There was mention of it being taken over by Bristol Water. However it was noted that this wasn’t official and further information is required. FN suggested the clerk email The Duke of Somerset directly and ask about his plans upon Dave’s retirement.

Chairman …………………. Date …………………… Minutes 08.12.16
9.2 It was noted that there had been a short period without water during the last month. FN said that Dave Barnet told him this was due to an airlock in the system caused by an issue with the pump.

10 BROADBAND

10.1 CH has received an email from Openreach to say that fibre broadband won’t be available in Witham until August 2017. This is because fibre hasn’t yet been installed in the cabinet at Upton Noble and this work won’t be completed until next August. RN agreed to email the regional director of Open Reach asking about this. He will copy David Warburton into this email.

11 VILLAGE HALL

11.1 The Village Hall Committee has decided to put the idea of installing French windows in the end of the hall on hold. 13.5 RN stated the sports teams have said they would like a higher level of service than currently provided so that they can play their chosen sports on the recreation field. He feels they should pay the difference if they want extra work carried out which is above the parish councils new specification. I.E they wish the field to be mown twice a week rather than once. The council agreed that this was a good idea.  

13.6 Keep Fit Group - RF stated that the Keep Fit group were using the car park rather than the recreation field. It was felt that this may be a health and safety issue. RF plans to talk to the organiser of the group to gather more information.
