North Yorkshire Flood Appeal launched with £30,000 pledged & dedicated website

The North Yorkshire flood appeal is a new appeal to support people who have been affected by the flood in North Yorkshire in December 2015 and still on going . The appeal is set up by Two Ridings Community Foundation and is to benefit people living in North Yorkshire. To kick start the appeal we thank a number of generous donors. This means the fund is already at £30,000. To help attract further donations Two Ridings Community Foundation has set up a dedicated website www.northyorksrecoveryfund.org.uk

The Foundation is accepting donations to the fund via this website or via cheques sent to the office. Once the fund is open for awards it will support individuals and charities affected by the recent flooding and individuals can apply via the website or by emailing office@trcf.org.uk or phone 01904 435 277.
