

There is a mistake in the itinerary - the church at Dodderhill is St Augustine **not** St Peters oops, sorry.

How to get to Salwarpe Church avoiding a CLOSED ROAD:

1. If approaching DROITWICH SPA **from ALCESTER** (Feckenham/Hanbury) **direction on B4090:**

After passing the marina and over a series of mini roundabouts, travelling into **Droitwich on the B4090**, you will arrive **at a main set of traffic lights** (by David Neville's Furniture Shop).

Cross straight over and follow Saltway passing Waitrose and the Fire Station continuing **for about half a mile** and going round a left hand bend with Morrisons appearing.

At the roundabout turn right (Signed A4133 Tenbury Wells, Ombersley, Leisure Centre) and follow Ombersley Way for about a quarter of a mile (passing light industrial units, the road off to the station), and pass over the railway bridge **arriving at another roundabout.**

At this second roundabout turn left and follow Ombersley Way (Signed A4133 Tenbury Wells, Ombersley) for about three quarters of a mile

Take the first (and only) left = NEW CHAWSON LANE, passing through the houses and under the bypass, **and continue for approximately a mile** (is now just Chawson Lane) to the end - T junction.

At the T-junction turn right and **continue for about a third of a mile to the Church.** (Parking on canal bridge).

2 If approaching DROITWICH SPA **from M5 JUNCTION 5:**

Take A38 (S) towards WORCESTER - (DROITWICH SPA)

After about 1 and a half miles having passed the Robin Hood and later, the Chateau Impney, **go over the traffic lights keeping on the A38** (Droitwich bypass = Roman Way) **towards WORCESTER.**

After about a mile (of dual carriageway) **you will arrive at a large roundabout.**

Go straight over this roundabout (second exit) keeping on the A38 (Droitwich bypass) **towards WORCESTER.**

After about two thirds of a mile (keeping in the left lane of this second section of dual carriageway) take the next exit - signed A4133 Ombersley, CHAWSON and LEISURE CENTRE, but also keep in left hand lane on this slipway exit road.

At the junction/roundabout (beware!) at the top of the slipway TURN LEFT signed TOWN CENTRE/CHAWSON/LEISURE CENTRE

=====

Follow road, initially down slight hill, for about a third of a mile and shortly after 30MPH signs TURN RIGHT into NEW CHAWSON LANE.

Follow **NEW CHAWSON LANE** passing through the houses and under the bypass, **and continue for approximately a mile** (has now become Chawson Lane) to the end - T junction.

At the T-junction turn right and **continue for about a third of a mile to the Church.** (Parking on canal bridge).

PLEASE NOTE:

Copcut Lane, from the A38 on the Worcester side of Droitwich, which leads down to Salwarpe is closed at the junction with the A38 - hence the need to follow one or other of the above directions!

IF YOU REQUIRE ANY ASSISTANCE FINDING THE CHURCH, PLEASE RING ME ON 07842 250824 - Steve Townsend
