A community newspaper for the parish of Rotherfield Peppard

Peppard Success Story

Autumn 2015

Is there anyone who has not walked or driven around, or even sat on a bus, and not noticed the ubiquitous yellow builder's bags or the delivery lorries with the yellow and black logo? That master-stroke of branding was one of Ru Butler's contributions to the family business – Peppard Building Supplies (PBS).

The current line-up of lorries

Ru and his brother, Nic, are the fifth generation of Butlers to play a role in the local building industry. It began in the 1930s with Charles Butler, a Peppard man, who was a jobbing builder. His son, Arthur, followed him into the industry and the family firm, Arthur Butler Builders, was born. Arthur's son, Geoff, joined him and then came grandson, John. The business grew in the 1960s and the family tried their hand at diversification with a coal merchants entity and also a funeral directors' but, in the end, it was the building side of the business that took all the time and energy. During the 1980s John set up the building supplies business. It was so successful that, by the end of the 1990s, the decision was made to close the actual building side and concentrate on Peppard Building Supplies.

PBS was situated on the corner of Blounts Court Road and Gravel Hill – a building

yard with a field at the back. Eventually there just wasn't enough space for all the stock they needed to keep and in 2001 the building was leased out to The Pet Barn. A small housing estate, Butler's Yard, was built on the field.

In order to expand to meet its customers' demands, Peppard Building Supplies

moved to its current premises on the Phillimore Estate in Dunsden to what had been a farm; Ru remembers when there were cows in the cowshed. Now the cowsheds and an old tithe barn, kept intact, are used for storage.

With Nic as Managing Director and Ru as Sales and Marketing Director, they now have a business with a £5.5 million turnover and 25 staff. They have worked together for twenty years and, remarkably perhaps, they still get on tremendously well. They recognise each other's skills and are comfortable in their roles. At the beginning there was one 17½ ton tipper truck and they are now proud owners of four HGV crane vehicles and seven delivery vehicles.

An exciting new project has been the bespoke bathroom showroom and demonstration area. They are not complacent however, and plan for the

future with hopes one day of more expansion and another depot.

They have weathered the recession because they have a loyal customer base, residing within a 15 mile radius, and their byword has always been customer service. Their customers range from jobbing builders to development companies and they are equally welcoming to any member of the public however small the requirement.

Sadly, John Butler died in February this year but he leaves an outstanding legacy in the capable hands of his two sons and with, currently, three children between them, is it possible that there will be a sixth generation of the family running the business?

Rita Hadgkiss

New Look for Peppard News

The Peppard News Editorial Team is delighted to introduce our expanded and more colourful Peppard News. An enlarged Junior Peppard News now takes pride of place as the centre section.

We would love to have your feedback.

Peppard News Publications

will hold its

AGM

on

Tuesday 22nd September at 19:00

in the

Sports Pavilion
on Stoke Row Road

We would like to welcome all of our readers, distributors, contributors and advertisers.

Please join us and support the Peppard News Editorial Team with your views on your newspaper.

Light refreshments will be served from 18.30

Our Schools

Peppard School

Another successful year at Peppard Primary School, ended with a wonderful performance of *Bugsy Malone* at the Kenton Theatre.

During the summer we have had the temporary building in the playground replaced. It had been *in situ* for over 40 years - a replacement was long overdue! We thank our neighbours for their patience during this work.

Our residential trips are planned for the second week in September. As usual, the Year 5 children will be going to Kilve Court in Bridgwater, Somerset, by train but the Year 6 children are trying something new this year. Mr Steele is taking them to Pembrokeshire to the YHA in Broad Haven. They will be visiting Pembroke Castle and the National Coal Museum, as well as kayaking, coastering and canoeing. They will also meet up with the local primary school children for a rounders match.

New Classroom

The Banksman, Stuart Wright, said that he thought his Dad had installed the old classroom and he's now in his 80s! They'd found a lot of rat skeletons under the building - and a nest!

Apparently, when it was first installed children got underneath - the Flat Earthers had to put panels around to stop teachers losing pupils!

Our Young Achievers

Learning Karate

My palms are sweating, my heart is pounding. I can't sit still in my seat. We are on our way to my first ever karate grading. As we pull up to what looks like a gym, I sink into my seat dreading going in.

I started karate because my friend Morgan had started only a month before and I saw a great opportunity to try something new. I joined when I was 11 and was given a special suit to wear (a gi) along with a white belt. Since then I have been aiming for a black belt and have achieved 10 of the 11 belts so far. I am now 14 years old.

My first competition was when I had a purple belt; there were about 200 competitors in a hall and I had to fight two black belts because they were the same age and height as me. The umpire began the fight by making us stand opposite each other and we both bowed to begin. I got into my fighting stance and after five minutes, I found I had won, surprisingly, I came 3rd in my group and won a medal! One of the things I love about karate is how much you put into it is how much you receive back. Although karate seems to be all about punching and kicking, it really is about self-discipline and focus. I go to karate twice a week and the Sensei (karate instructors) are patient and understanding. Karate has given me a lot of confidence and I always just try my best. Hopefully by the end of this year I will receive YUDANSHA! (A black belt)

My Favourite Cycle Ride

More Successes for Henry

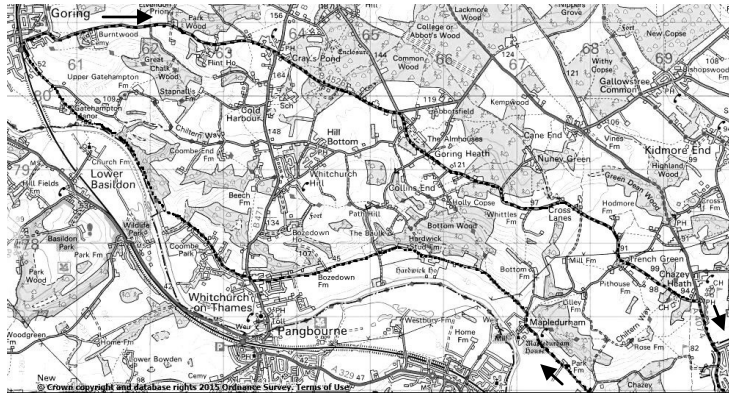

Congratulations to Henry Bell for more swimming successes! In June, aged 15, he took part in the 12th Henley Classic Swim, covering the distance in just 31½ minutes and coming third in the Junior Men's Category. In July, Henry travelled to Cornwall to compete, for the fourth year running, in the Padstow to Rock Marie Curie Cancer Care sponsored swim. This time Henry swam on his own, without Nigel Downing (his trainer); he came second in both the Elite Category, and overall, in a time of 15½ minutes - almost twice as fast as his first swim! The final tally for Henry's sponsorship money was approximately £850 (with Gift Aid). In previous years he has raised over £700.

Henry swam 7k (half the distance) in the Henley-Marlow Bridge to Bridge event in August. This was a long distance for him and his aim is to swim three-quarters of the distance next year! Technically, the minimum age for participants in this race is 18, so special permission had to be sought. Henry was disappointed he didn't complete the swim but he's still young and needs to build up stamina for this type of challenge. Well done Henry!

Sue Nickson

This ride has a mixture of surfaces and terrains and gives a reasonable challenge; if anyone decides to do this ride I hope they get as much enjoyment from it as I always do.

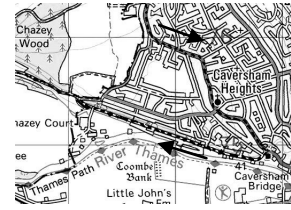

Maps contain Ordnance Survey data © Crown copyright and database right 2015

The ride begins at The Warren in Caversham. You enter The Warren from St. Peters Hill just past Caversham Court, then cycle on a made up road. This runs alongside the River Thames with a wonderful array of very expensive riverside properties to admire; after approximately 1 mile The Warren does a 90° turn to the left, you go straight on at this point onto a flint and gravel track which becomes a concrete road that takes you to Mapledurham House (this is about another 2 miles). At the end of this road you turn right and then take a left after about 100 yards onto a narrow path, this goes for about 1 mile when you then enter the Hardwicke Estate, going past Hardwicke Stud Farm. The River Thames is always on your left. After ½ mile you emerge onto Hardwicke Road which goes for about 1¼ miles taking you past fields of alpacas into Whitchurch.

At the junction of Hardwicke Road and the bottom of Whitchurch Hill you turn right and then a left after 100 yards onto

the Thames Path which becomes a narrow path after 1 mile - at the very beginning of the narrow path there is an extremely steep gully, where I suggest you dismount and wheel your bike down and up the other side. Possibly the very young and fearless cyclist may attempt to ride this bit, but not the more mature persons, like myself! This path is about 1½ miles long and you will see plenty of glimpses of the River Thames on your left but I would recommend you keep your eyes firmly on the route as there is a very steep drop towards the river for a large section of this narrow path.

You will come out of the path section onto Gatehampton Road which, after ¾ mile, takes you past Goring Railway Station. Take the first right after the station and proceed up Goring Hill - this is a testing climb for the old legs: continue on this road for approximately 3½ miles (passing through Cray's Pond) and, remaining on the same road, take a right hand bend sign-posted Goring Heath. Stay on this road for 3 miles, passing Caversham Heath Golf Club, until you reach the junction onto the Woodcote Road (A4074). At the junction turn right and ride for a further 1¾ miles; you will enter Caversham via St. Peters Hill where you will see the entrance to The Warren on your right.

You have now completed the ride, the total distance is approximately 17½ miles.

The Councils

Parish Council News

As many readers may know, I became Chairman of the Parish Council once again in July. I look forward to hearing from residents and perhaps seeing some of you at our Council meetings which are held in the Sports Pavilion on Stoke Row Road on the second Monday of the month at 19:30.

Over the spring and summer months the Council has been involved in road safety and footpath issues. In May, the Council organised speed checks on the B481 on Top Common and on Stoke Row Road near the cricket pitch. This gave some interesting information on the volume of traffic and on speeds.

As might be expected, the traffic on the B481 is very much heavier than on Stoke Row Road with an average peak of cars per hour of 323 northbound and 311 southbound. The peak hourly averages for Stoke Row Road were 42 northbound and 67 southbound

The figures were compared with those of an earlier survey at Bolts Cross which showed 54% of the traffic flowed northwards to Nettlebed and the M40 and the rest travelling to Henley.

This, of course, will increase when the new houses are built in Sonning Common and Henley and raises concerns about the impact of a third Reading Bridge.

Analysis of the vehicle speed information on the B481 showed the following:

- vehicles exceeded the speed limit during all measured periods

Parish Council

Chairman: Tony Cotton

& David Nimmo-Smith

David.Nimmo-Smith@southoxon.gov.uk

OCC Councillor: David Bartholomew
07769 808773

david.bartholomew@oxfordshire.gov.uk

Rotherfield Peppard Parish Council usually meets on 2nd Monday of the month at 19.30 in the Pavilion. Parishioners may attend and observe, and may briefly raise issues of concern to them. All may attend intermediate planning meetings as well - see Diary for dates and times.

- 43% of vehicles exceeded the 30mph speed limit
- 10% of vehicles were travelling at over 40mph
- 13% of vehicles were travelling at over 40mph on Sunday
- from 18:00-08:00 the number of vehicles exceeding the speed limit increased.

Stoke Row Road also had a similar profile of speeding traffic.

The road surveys can be viewed in full on the Council's website:
www.rppc.org.uk

Action on speeding across Peppard Common has been taken by the police who have posted warning notices on the B481 and have increased the frequency of radar surveillance; however speeding still remains an issue within the Parish.

There have been a number of complaints about the condition of the road and pavement near the bend on Stoke Row Road (near the Unicorn pub) and the Council organised that South Oxfordshire District Council undertook a professional sweep of the area removing the loose road chip-pings and the accumulation of leaf litter. This has made a great improvement. At this time of year growing hedges are always a problem and several roadside areas and footpaths have been cleared following intervention from the Council.

Your Parish Council is currently two members short of a full complement and it is always good to have representatives from all parts of our Parish. For instance we have no one on the Council from Wyfold, the Wyfold Estate or Stevens Lane areas.

If you are interested in helping to maintain the benefits of our lovely rural area please contact the Parish Clerk, Linda Collison on 01491 629676 or come to one of our meetings. We look forward to hearing from you.

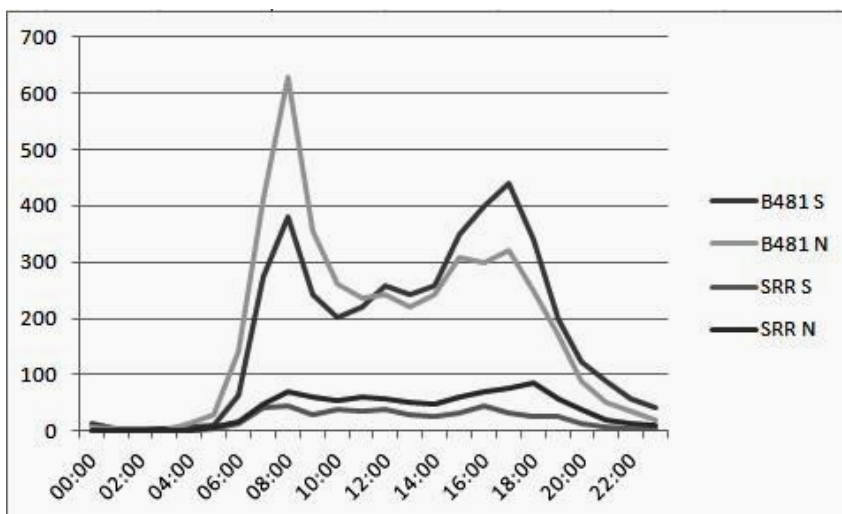

Tony Cotton, Chairman

From John Howell, MP

In the constituency in the last month I have continued to enjoy getting to as many community fêtes as possible where I can meet people and have informal discussions on a wider range of issues. I am only sorry that I have had to miss some due to diary clashes. However as a reminder I will be undertaking my annual 'Village Tour' in the Conference Recess in September. My schedule will be published on my website (www.johnhowellmp.com) and via parish councils in the near future.

Parliament went into recess at the end of July and, apart from trying to get some time with my family, I will be out and about in the constituency over this period.

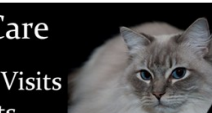

My offices in Westminster and the constituency remain open for business and we will continue to do our best to respond to questions and issues as best we can.

News from SODC

Following the fire at the Crowmarsh offices, SODC moved permanently into new offices on 29th June. Their address is: South Oxfordshire District Council, 135 Eastern Avenue, Milton Park, Abingdon, Oxfordshire, OX14 4SB.

Formal meetings such as planning committee or a council meeting will take place in Howbery Park, Crowmarsh. Visit www.southoxon.gov.uk for more information.

High-Speed Broadband Arrives

As part of the Better Broadband for Oxfordshire programme, fibre-enabled cabinets are now live and ready to take orders in parts of Peppard. This means that 294 residents and businesses in the parish will be able to request an upgrade to fibre-enabled broadband from a range of Internet Service Providers (ISPs). In most cases, this means that residents can achieve download speeds above 24Mb/s.

Please note that improved broadband services are not turned on automatically: contact your chosen ISP or use comparison sites to find available packages. There is a list of ISPs on the Better Broadband for Oxfordshire website: www.betterbroadbandoxfordshire.org.uk/broadband-providers

If you contact an ISP, please state that you wish to order 'fibre-enabled/superfast broadband,' they should also be able to offer any technical assistance to access fibre-enabled/superfast broadband. It is also important to note, that not all premises will necessarily be able to order superfast speeds (above 24Mb/s). Premises will be able to access a range of speeds – some will get superfast broadband and others will be able to get anywhere between 2Mb/s and 24Mb/s, depending on distance from the cabinet.

Students Beware!

A new seasonal rental fraud warning has been issued for students looking for accommodation for the new term.

National Fraud Intelligence Bureau wish to alert students to fraudsters who use a variety of websites to advertise available properties to rent at attractive rates and convenient locations. Due to demand, students are tempted to agree to pay up-front fees to secure the property without viewing, only to discover that the fraudster posing as the landlord does not own the property or there are tenants already living there.

The advice is to use reputable letting companies, research online using Google maps to check that the property exists, view the property personally prior to paying advance fees, be suspicious of a landlord requesting a 'holding deposit' due to high demand for the property and do not hand over cash to a landlord who does not ask for references.

Last Night of the Proms

The Last Night of the Proms will be screened live from the Albert Hall in London onto a big screen in the grounds of the Sue Ryder Nettlebed Hospice on 12th September starting at 19:00

Tickets cost £25 for an adult, £19 for children under 16 or £20 a head for groups of ten or more and are on sale at www.sueryder.org/picnicattheproms.

A free cocktail is included with every adult ticket. Food and drink will be available for purchase on the evening but bring a blanket or something to sit on.

More information from Miriam Payne, Sue Ryder Hospice 01491 641384 ext. 270 or e-mail miriam.payne@sueryder.org

Strawberry Teas

Strawberry Teas will be held in Christ the King Church garden, Sedgewell Road on Saturday 29th August 15:00-17:00. Come and join us for strawberries and cream, tea and cakes in the church garden (or inside the hall if wet).

We will also have a sale table of small items, jigsaw puzzles, plants and garden produce. All in aid of church funds.

Sue Nickson 0118 972 4520.

Ride For Ryder

On Sunday 20th September there will be a joint event between Sue Ryder Nettlebed Hospice and the Duchess of Kent Hospice in Reading.

Choose from a choice of three cycle routes through the Chiltern Hills including part of the Tour of Britain 2014 route. Route options and related fees: 10 miles - £10; 25 miles - £15; 60 miles - £20

For more information or to register call the fundraising office 01491 641384 ext. 246 or email nettlebed.fundraising@sueryder.org or register on line www.sueryder.org/rideforrydernettlebed.

Health Walks

The new Health Walk timetables come out in mid-September – they are available from the Health Centre, the library and the Herb Farm, or at www.sonningcommonhealthwalks.co.uk.

Health walking is for fitness – and it's friendly, fun and free! The walks are for everyone, whatever their age and ability, and are graded accordingly. Not all of them are super fast: contact us (via website) for advice about which one is best for you

Our Village

Over £1500 Raised for Local Causes

The Community Singing Group Nottakwire's Summer Concerts in June were sell-outs and so the group donated £500 to local First Responders, £300 to Club SC, £200 to Sonning Common Lunch Club, £200 to Sonning Common Magazine, £150 to the Village Gardeners, £100 to the Skate Park, £50 to Sonning Common Primary School Art Club and £50 to the school's Gardening Club.

Peppard Revels Film Club

The Film Club will be starting again in October in the Peppard War Memorial Hall at 19:00.

The Constant Gardener on 16th October is a thriller by John Le Carre. A British diplomat, posted to Kenya, finds that his wife has been murdered following her investigations into a drug trial conducted by a large pharmaceutical company where serious side effects have been covered up.

Mrs Brown on 20th November. Queen Victoria has withdrawn from public life following Prince Albert's death. Could John Brown, her faithful Scottish servant, be able to coax her back into public life? However problems begin as Brown starts to take liberties with the sovereign.

£10 for supper in a bowl, a glass of Laithwaites' wine and the film. Licensed bar. Tickets must be booked in advance from Linda Collison 0774 7762871 or lindacollison1@aol.com

John Hasler

Commons News

At the Conservators' last Quarterly Meeting in July, Tony Rancombe was asked to take on primary responsibility for Peppard Common. Tony is therefore the first point of contact if you have any issues or concerns relating to the upkeep and management of the Common; for example, dangerous trees, inaccessible pathways, incidence of fly-tipping, suggestions or points of general interest, and so on. Please feel free to contact Tony on 01491 628887, or at tonyrancombe@yahoo.co.uk .

A Message from Thames Water

Do you own a sewage pumping station? If so Thames Water want to hear from you as new legislation means that it could become legally owned by the water company which would then pay the related costs. Anyone with a private pumping station can make Thames Water aware at www.thameswater.co.uk/pumphunt.

Gigantic Gibraltar Swim

I am attempting to swim the Strait of Gibraltar in September in order to support the Mission Aviation Fellowship (MAF) – and also 'because it is there'!

I have an ambitious target of £5,000 to reach!

I am writing an account of the preparation which can be found on www.gibraltarswimchallenge.co.uk and the donation page is www.justgiving.com/gibraltarswimchallenge.

Peppard News have asked me to write a description of my swim to appear in the Winter issue.

Nigel Downing

FISH

The FISH Volunteer Centre run regular door-to-door shopping trips to Tesco in Henley every Monday morning and to Henley Waitrose, Henley Farmers' Market, Morrisons in Reading and Reading Town Centre every month.

Leisure trips planned for the autumn include visits to Lords' Cricket Ground, Hatfield House, Imperial War Museum at Duxford, Windsor, Thame Farmers' Market, M&S at Camberley, the Watermill Theatre and a visit to a Christmas Market. The programme of shopping and leisure trips for each month is published and distributed on the 20th of the preceding month and bookings are taken from that date.

Copies of the programme are available from the FISH Volunteer Centre, Sonning Common Library, the Christian Community Action shop, Pet Country Supplies and on request from Carson's Chemist. The monthly programme of trips is posted on noticeboards in both Peppard and Sonning Common. Details of all minibus trips can also be found on the FISH website www.fishvolunteercentre.co.uk

For more information and to book any trip call 0118 972 3986 any weekday between 09:30 and 11:30.

John Pearman

Junior Peppard News

New Editors

As Kaan and I will be leaving school this term we had to find replacements to become editors for Peppard News.

The children in year four who were interested were asked to write a report about something they had done at school. We had ten applicants so we had to make a shortlist to interview some of them. We asked Mrs Nickson if she would come in to help us and we interviewed two girls and two boys. They were all very good and it took us a good half an hour of tough

decision making. We decided that Lois Powell and Charlie Upsher were the best for the job.

Kaan and I have really enjoyed being editors and now that we have three pages we know it will be a lot of hard work for the the new editors but hope that Finley and Marie will help them to really have fun with it. We both wish them luck.

Kaan and Lillibeth

Lois Powell and Charlie Upsher

Bugsy Malone

This year our end of term production was Bugsy Malone. We found out back in June when the whole school were taken to the Regal cinema in Henley. We didn't know what we were going to see until our teacher announced it before the film started.

We then had to audition for the main parts and after a few days we all found out who we were going to be. There was then a lot of excitement when we were told we would be using real splurge guns.

We worked really hard at rehearsing and finally the day came. We spent all day in the Kenton Theatre sorting out the lights and setting up all the props and had to come back at 6.30pm ready for the evening performance.

The play was a huge success, no lines were forgotten and splurge went everywhere. We all had so much fun and the audience seemed to really enjoy it.

Junior Peppard News is published by Peppard News Publications with financial support from Friends of Peppard School and Rotherfield Peppard Parish Council, and is distributed free to almost all households in the ecclesiastical and civil parishes of Peppard. It is also available by e-mail.

Junior Peppard News cont'd.

Greys Class Trip to Tesco

This term Greys class have been learning about the similarities and differences between the UK and Kenya. As part of our topic we had to compare the foods we would find in both countries. So, we went to Tesco on a 'Farm to Fork' trip where we got to go on a Grocery Hunt looking for tea, coffee, dried mango, coconut milk and sweetcorn. We then tasted a variety of cheeses which were extremely tasty and also touched and tasted fruits and vegetables that would be grown in Kenya. Some of us had never tasted mango, grapefruit and sharan fruit before and really enjoyed it, much better than the lemon which was rather sour!

We have had lots of fun with this topic and have found out lots of fascinating facts and created some super art work and African clay pots and beads in class.

Splurging on the Common

The day after our performance of Bugsy Malone our teacher, Miss Ballantyne, played a trick on us. We had just had playtime on the common and were asked to line up by another teacher for a photograph.

What we didn't know was that Sally our school cook and Miss Ballantyne were creeping up behind us with the left over splurge from the play. They covered us and then we all had a big splurge battle on the common.

It was great fun.

Whole School Trip to London

On Thursday 16th July the whole school went to London for the day. Each class explored different places. Peppard and Greys class went to the zoo for the day and Highmoor class visited The Tower of London and took a boat ride along the Thames.

Our class went to the Globe Theatre. We had studied *A Midsummers Nights Dream* earlier in the year and our teacher had arranged for us to take part in a workshop with an actress. After a tour of the theatre which was very interesting we went into a room under the theatre and acted out several parts of the play. It was great fun and made us all understand the characters' personalities a lot more.

We had a lovely picnic on the South Bank before it was time to go home. Although our journey home took a long time we all had a great day.

By Kitty and Tabitha .

Sports Day

On Friday 26th June we had our Sports Day. We had spent Thursday afternoon practising the different races. The evening started with a heavy rain shower but we carried on and then the sun started to shine. There were lots of different races including dressing up, sprints, egg and spoon and obstacle.

When we had finished all of the races we gathered together for the results. Everyone was very excited to find out which of our four teams had won. This year it was Beech team.

Finley

Highmoor Nursery School

Our private nursery is located in the rural village of Highmoor and offers exceptionally high standards of childcare and education.

- Open Monday to Friday during term-time
- Full and part-time places
- Fully government funded sessions available
- Children taken from age 2

Please send e-mail to admin@highmoornursery.co.uk or telephone 01491 642162 to arrange a show round.

Babes in the Wood Toddler Sessions

- Stay and play group at Stoke Row Pavilion, RG9 5PS
- Three mornings and one afternoon session per week
- Soft play, a baby area and a wide variety of toys and books
- Run by Highmoor Nursery School staff, paediatric first-aid trained and DBS checked

Please contact Gwen Pragnell for more information on gwen@highmoornursery.co.uk or 01491 681837

Our Village cont'd.

Peppard War Memorial Hall

Your community hall continues to enjoy a good number of bookings through the summer and we are currently taking bookings for the autumn/winter.

If you are thinking of organising any event that could be held in the hall we really look forward to hearing from you.

This autumn we are looking forward to welcoming back the Peppard Revels Film Night and Peppard Unplugged (see more details on our website - www.peppardwarmemorialhall.btik.com).

Work is progressing on researching options for our roof project with regard both to the retiling of the roof and with providing better insulation to make the hall more environmentally friendly (and save us money on the heating bills !!)

We are currently redecorating the entrance lobby and hope to show off a collection of prints portraying the history of the hall. If you have any photographs that we could either borrow or copy we would love to hear from you. Please bear with us whilst this work goes on.

Clive Mills

KPCV

The Kingwood and Peppard Common Volunteers (KPCV) are a friendly group of conservation volunteers who meet twice a month to work on Kingwood and Peppard Commons (located between the B481 and Stoke Row Road). Over the past three months we have concentrated on clearing brambles and bracken from several of the glades on Kingwood Common, to allow the heather and other species, including wood avens (also known as herb bennett), slender St John's-wort, tormentil, common hemp nettle and foxgloves, to flourish. Although this requires that we revisit the glades regularly to remove regrowth, the results are satisfying.

We have also spent time clearing and widening some of the paths, to make them more accessible. While working on the common we have seen many common butterflies, including ringlets, meadow browns, peacocks, commas, large skippers and even two male Silver washed fritillaries. A grass snake and some funnel-web spiders have also been seen by members of our group.

We have work parties planned in September, October and November (see Peppard Diary for dates). The work parties run from 09:30-12:30, and volunteers are welcome for all or any part of that time. For more details please contact ShKinghorn@aol.com.

Sheri Kinghorn

Sonning Common Business Collaboration

We meet every six weeks. Next meeting will be on Monday 14th September with Guest Speaker Alice Elliot from *The Fairy Blog Mother*. The topic is 'Why blogging is so important to your business'. Our second anniversary will be on Monday 19th October. Meetings are held at The Butchers Arms, Blounts Court Road, time 10:30 – 12:00.

The talk is for the first 30-45 minutes, then time to network. Open to all sole traders and small businesses in Peppard and immediate surrounding villages. Meet like-minded people and get to know the local business community for support, advice and help referrals.

For any further information or to book your free space, please contact Kathryn - 07958 371 770 or kathrynfellphotography@hotmail.co.uk. We are also on Facebook as Sonning Common Business Collaboration and Twitter @SCBCRG4

Peppard Bowls Club

Our bowling season passed quickly but we managed to turn out teams for all our scheduled fixtures. Fortunately, we had reasonably good weather this summer which always helps! We were delighted that we could, once again, hold our popular Gala Day in August when some 18 teams from around the area joined us for a knock-out competition. The visitors were treated to a delicious lunch and tea. Congratulations to Palmer Parker who won the trophy at the conclusion. Finals Weekend will take place on 5th and 6th September – visitors will be welcome and the Club Bar will be open.

A warm welcome still awaits potential new bowlers. Why not give the game a try before the end of our season and autumn draws in? Please give Jenny, our Membership Secretary, a ring on 0118 924 2617 to arrange a complimentary taster session.

Peppard People

Nigel Wooding

It was when Nigel and his wife, Sheena, a teacher, walked their toddler daughter along the pavement in her pushchair, breathing in all the car exhaust fumes in Balham, South London, that they decided it was time to move. Sheena's sister lived in Highmoor so they knew and liked the area. That was back in 1991.

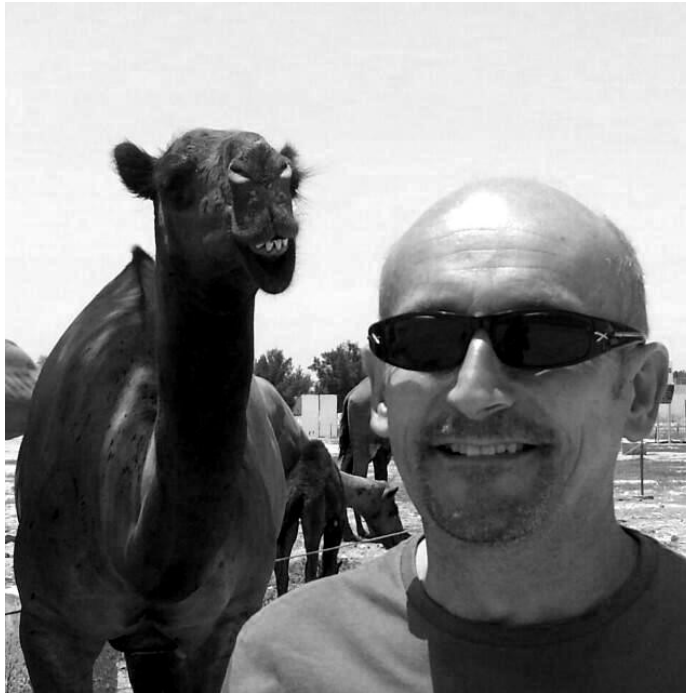

Having moved to Peppard, Nigel continued commuting into London for his work as an architect. It was really the obvious career choice. He is creative and artistic but, at the same time, he is very practical. He had wanted to be an architect since childhood: like most children he drew houses but he went on to draw buildings - and chairs too. Always hopeless at Maths, it is ironic that it was his Maths teacher who, spotting Nigel's drawing of a chair, expressed relief that there was actually something that he could do, admired it, and set him on his future path.

He enjoys large architectural projects such as hospitals and airports - he designed an MRI Unit at the John Radcliffe and was part of the team that designed Heathrow Terminal 5. In fact, during the course of this project he crossed paths with the late Lord Silsoe - fellow resident of Peppard and leading QC at the Terminal 5 Inquiry.

With an eclectic taste in architecture, Nigel admires many of the famous new buildings in London, for example, the Gherkin and the Shard, although he dislikes the Walkie Talkie.

Once settled in to Peppard, Nigel developed a love of the commons. He regularly walked or cycled on the commons and encouraged his children to run wild, play and build dens on the commons. This love of the commons prompted him to become more involved and he became a Commons Conservator - he remained a Conservator for 14 years, was Chairman for 2½ years, and only resigned last year because of working

overseas. However, he still acts as a consultant to them and finds this is a perfect compromise as he remains involved, goes to meetings and gives advice. Even though he was a Conservator during the, sometimes heated, debate over grazing he wouldn't like to see any dramatic changes to the commons - he would like them to stay open and accessible to all. He believes the paths need to be maintained and that the Kingwood and Peppard Commons Volunteers and the Green Gym do excellent work.

Nigel Wooding - photobombed by a camel!

The one thing that upsets him is the, seemingly insoluble, problem of fly-tipping on the commons. He finds it very depressing that anyone should want to despoil our lovely commons in this way.

Not content with being a Conservator, Nigel also gave his time and energy to being a Parish Councillor. For twelve years he worked alongside five different chairmen, was Vice-Chairman himself for seven years and was Chairman of the Planning Committee. There had always been a Conservator on the Parish Council so he found that the two roles dovetailed as well as using his

professional expertise for the benefit of the community.

Perhaps his talent for involvement and leadership are inherited traits. Nigel recently learnt that his Great Great Uncle was Herbert Henry Asquith, the former Liberal Prime Minister who led the country into the First World War.

Further research into the family tree has revealed connections to the local Bonham Carter family and that he is a distant cousin of the actress, Helena.

In the years that Nigel and Sheena have lived in Peppard, their daughter has grown up and is now working, their eldest son has just graduated and their second son is settled at university.

Nigel is currently living in Bahrain, working for a large Reading-based American company refurbishing a university in Saudi and hence has had to give up his involvement in local organisations. This is his second stint of working in the Middle East - it provides the opportunity of working on the big projects that he enjoys.

He returns home for a break every 12 weeks and the family has all been to stay with him there on different occasions. He anticipates being involved locally again once he returns home.

His love of the outdoors means walking and cycling on the commons are favourite activities,

but he still cycles when in Bahrain (in temperatures sometimes over 50°C). As a family, they have spent many happy holidays camping and walking in both the UK and France. He would love to venture further afield and has a long-term ambition to go to Brasilia, capital of Brazil, to admire the architecture.

One thing is certain, however much Nigel likes the modernist style of architecture, if he has anything to do with it we will never find ourselves with an office block built on the commons!

From All Saints'

As we return from summer holidays, hopefully refreshed and re-energised, we look ahead to celebrate Harvest Festival as we move into these 'Seasons of mists and mellow fruitfulness' as the poet, John Keats, phrased it. It is a time of great change for us as we bid farewell to our dear Rector, Revd Canon Graham Foulis-Brown. He has served this parish for many years and we all have cause to thank him for his care and guidance in both church and community. I have been particularly grateful for his wisdom and patience since I settled into this welcoming community after several years based in New Zealand. As we move into an interregnum and await the appointment of Father Graham's successor, I'd like to assure you that services will continue as before and that we are here for the needs of this community; nothing changes there! Father Graham's final service as Rector will be on 20th September at the Church of St. John the Baptist, Kidmore End. We wish him a happy retirement and ask God's blessing on him for all that he has given to us over the years.

Rev'd Susan Cooper

Special Last Service

The Rev'd Canon Graham Foulis Brown will soon be leaving us to retire. Sunday 20th September is Graham's last service, and will be an opportunity for the whole Church family to worship together in a joint Benefice Service at St John the Baptist, Kidmore End at 11:00 followed by a buffet reception in Kidmore End School. It would be appreciated if those attending

the reception could bring a plate of finger food please, nut free. Food can be left at the school prior to the service. All are welcome.

The Reverend Canon Graham Foulis Brown

Our Peppard Rector will retire in September. He moved to South Oxfordshire in 1990 to be Vicar of Kidmore End and was then made responsible also for Rotherfield Peppard Parish in 2002, following the retirement of 'Bob' Butler-Smith.

Graham was born in Renfrewshire and, after education in Glasgow and London, followed a career as a teacher before training for the ministry at St. Stephen's House, Oxford. He was ordained in 1982, served as a curate in Berkshire and Oxfordshire and worked as a vicar in the

Bicester area. After his formal arrival in Peppard on All Saints' Day 2002, Graham had the task of overseeing the creation of the new Benefice of Rotherfield Peppard and Kidmore End & Sonning Common. He has been Rector of the two parishes since 2003. For five years, Graham was also Area Dean of Henley. He was made an Honorary Canon of Christ Church, Oxford in 2011. For many years Graham served as an Oxfordshire JP. As a school-boy, he began a connection with the Worshipful Company of Coopers and has given long service as Chaplain of the Coopers' Company in the City of London.

Graham is a very capable parish priest and is known as a man you can depend on. He likes to get to the crux of a matter and we have benefited from his sure grasp of many church issues and diocesan intricacies. At heart a traditionalist, Graham has been a reassuring presence for those caught up in the personal highs and lows of weddings and funerals and Remembrance Days and other formal occasions. His love of tradition and understanding of ceremony can be seen in his long devotion to the Coopers' Company. He is a good preacher (perhaps because he enjoys preaching). His sermons convey a clear message, are original, thoughtful, wide-ranging, with a dash of humour at the right time. Graham has taken particular care to involve the children in church services and is an unwavering supporter of the music in the church. Graham will be greatly missed. It is a blessing to have a rector with so clear a dedication to the priesthood, secure as other faithful priests in their 'reasonable, quiet, unpretentious, sober faith in God'.

We are very grateful for all Graham has contributed as Rector of Peppard. His former colleague, Barry Olsen, has reminded us of the hilarious occasion at a Harvest Lunch when he and Graham and Hugh Warwick, suitably costumed, took to the

An Invitation

St Michael's invites you to a special Open Day which will form part of the annual parish weekend celebrations to mark the feast day of our patron, St Michael. On Saturday 26th September, St Michael's will open its doors and everyone is welcome to come inside and find out more about us and the projects we run in the community. This is a wonderful opportunity to meet some of our parishioners, find out about the work that we do in the wider community, find out what actually goes on inside the church and perhaps see if there is something that we do that would appeal to you.

During the day there will be guided tours of the church, lively, informal talks by our parish priest Fr Paul, who will be explaining what the Catholic faith is about in today's society and debunking some of the myths. There will also be an opportunity for private meditation/prayer and, of course, free refreshments throughout the day.

As a finale to the day we have a performance by the ever-popular Pangbourne Silver Band. So, if you are a local resident who would like to see what the inside of the church looks like, or maybe someone who has lost touch with a church community, or a Catholic family recently moved into the area and not discovered us yet, please do come along to all or some of the events, and most definitely join us for a cup of tea/coffee and cake. The programme for the day: 10:00 A guided tour of the church explaining some of the Catholic sym-

bols, and pointing out some features of historical significance; 11:00 A talk by Fr Paul Rowan: *The Catholic faith in today's society debunking the myths*; 14:00 repeat of tour; 15:00 repeat of talk; 17:30 Mass for Sunday will be celebrated; 19:30 Pangbourne Silver Band Concert - tickets £5.

St Michael's is situated on the Peppard Road in Sonning Common, next door to the petrol station. For further information please check our website www.saintmichaelsonningcommon.org.uk or contact the Parish Office on 0118 972 3418

was coffee or tea or juice to drink. Add a pile of paper and pens and you can see it's not what you would normally expect in church on a Sunday morning. Because we wanted to celebrate the summer holidays by giving our children's workers, and our preachers, a well earned break, we decided to have discussion and feedback sessions in place of sermons. We took the theme of the armour of God in Ephesians 6:10-18 and have wrestled with such topics as 'what is truth and is

it important?', 'is being right the same as being righteous?', 'is faith a protection – from what?' and many other issues which impact on our Christian life. It has been an interesting and enjoyable way of 'doing church' over the summer and it may well be something we do again sometime. And if you want to give it a try there's still a chance as the last of our summer series is on 6th September – and I promise there will be croissants even if the strawberry season is over!

Clubs and Societies

Flat Earth Society

It has been a quiet period for the Society but needless to say we, as a group, participated in the recent Revels. We manned the BBQ and managed to take over £700. I am sure this was mainly due to the assistance of celebrity chef Gordon MacRae.

*Gordon MacRae, Alan Smith, Dave Watson, Peter Taylor and Terry Ryan
Photo by courtesy of Wendy Taylor*

One of the group helped to organise a classic car rally from the East Coast of the USA to the West Coast and was away from home for 28 days. Upon arriving home his wife asked 'When is the rally to Australia?'

Again my usual plea, if anyone has an interesting photograph to do with any aspect of Peppard, past or present, I would be delighted to display a copy in the phone box.

Terry Ryan

Wyfold RDA

Once again, rider Sara Lee qualified for the RDA National Championships in July. This time she took part in the Dressage to Music which we were very pleased with and she and Charlie Brown came second, only half a point behind the winner. They then went on to defend last year's title in the Championship Dressage

class. The competition was strong but sadly, this year, first place was not theirs although they achieved a very good score to earn a fifth place.

Looking ahead, our Christmas Event this year will take on a new look. On 12th December a variety of activities will take place in the stable yard from midday to 15:00 instead of the usual evening time. We look forward to seeing our many supporters there.

Adrienne Heriot

Peppard Tennis Club

We will host a tournament on Sunday 13th September, commencing at 10:00.

All members are invited to attend and can apply via e-mail to peppardltc@hotmail.co.uk

If you are not a member but would like to participate, then please feel free to apply via the above e-mail address. A top day's tennis is assured, along with a BBQ, cakes and refreshments.

The club has seen a significant influx of new members and there is some great tennis being played on club evenings, which are available for all adult members and anyone interested in joining.

Club nights run from 18:30 on Tuesdays and Thursdays. Six courts are available and four of these are floodlit.

Richard Dilger

Club SC is Four Years Old.

Club SC, the community run youth club, is now four years old. We open fifty weeks of the year: Wednesday nights are for 10-13 year olds and Thursday nights for 14-16 year olds - from 19:00-21:00.

On 25th November this year, our young people are being treated to a performance and workshop by Sam Brown and

the International Ukulele Band of Sonning Common. Her support is a wonderful boost for club as it enters its fifth year.

We receive grants and donations from all three local Parish Councils; Nottakwire and Chiltern Edge Community Association (CECA) regularly donate. Small local businesses donate their spare time and staff and the Co-Op allowed one of its staff to fundraise. We regularly use office facilities and staff of Daisy's at the Dog and Doggydips. Beverly Dobson, our Vice Chairman, has, in the four years since Club SC was founded, allowed us to use her premises for all our meetings and AGMs free of charge, plus her office equipment and staff. We would like to pay tribute to all organisations who keep the youth club open and Beverly for her unwavering support and commitment.

Children attend from Year 6. Many of our members come from local primary schools as well as Chiltern Edge, Gillotts and Highdown Academies but any local young people are very welcome whatever school they attend. We work diligently to keep improving the experience for our young people but to help spread the load, we urgently need more members to sit on the Management Committee. We manage the finances and two staff and volunteers of the club and oversee the activities and health and safety policies. We would particularly welcome parents of school age or teenage children.

If you can spare a little time and welcome the opportunity to influence and encourage young people in the hobbies and leisure activities pertinent to them in the 21st Century, we would love to hear from you. We meet approximately seven times a year for around two hours. If anyone is interested in volunteering for the Management Committee, please contact me: 07958 371 770 or carolyviney@aol.com

Sylvia Overbury (01491 628245)

Peppard Stoke Row Under 13s Cricket Club

Edward in Action

What a season! This year, Peppard Stoke Row CC U13s have been met with a challenge. One we accepted and I'd like to say we passed! With only two U13 players in our U12 dominant squad, we have had to play mainly against the year above. As well as this, our children's teams have only been in the leagues for the two previous years. Our coach, Andy Watts, has led us through a tough season using his experience and knowledge to help us improve. Also, Ronnie Brock has aided us on our run at the title. Despite losing our first and last game, we only lost one other game in between these two matches, placing us third.

For me, the best match of the year was the local derby between us and Kidmore End. We posted a score of 123 and, after ten overs, we looked down and out of it. However, we conjured up a gutsy performance and took lots of wickets and bowled them out to defend our total and win by five runs. Credit goes to the boys for displaying great performances and showing courage to get us out of some sticky situations. The batting is at an

extremely high standard throughout the whole team and our bowling attack has looked dangerous and threatening every over. By the end of the season, our catching was matching the high standard of our fielding. But on top of all of this, our team spirit has been our greatest strength. It's been a great season and I hope we can deliver as well next year.

Edward Bruun

Two Open Invitations

As part of the NFWI Centenary Celebrations, Women's Institutes throughout the country are being encouraged to take part in *The Biggest Tea Party Ever* on WI Day – Wednesday 16th September.

All readers of *Peppard News* of whichever sex or whatever age, are invited to join us from 14:00 for an afternoon of musical entertainment supplied by Tim Valentine followed by a cream tea. It is all free of charge. You may, however, like to bring some loose change to gamble on our Rainbow Tombola

Also join us for our Open Meeting on Wednesday 14th October at 14:00 to hear renowned speaker Stewart Linford on *The Art of Chair Making*. Stewart will bring samples of his chairs and some of his tools. Again, you are invited to join us for a Bottle Raffle and also afternoon tea, free of charge.

We look forward to welcoming you to both of these Centenary Celebrations to be held in Peppard War Memorial Hall.

Irene Lindsay

Peppard Lunch Club

After our lunch on 16th September (WI Day), we are invited to join Peppard WI for a cream tea as part of the Centenary Celebration of the Women's Institute. All Peppard people are welcome.

Betty Butler

Year-Round Tennis Coaching

Teach Me Tennis run an extensive term time coaching programme for children from the age of three. Sessions run all year round every day (except Sunday) at Peppard Tennis Club, with a maximum of six players per coach.

Oliver Hewes

We are passionate that tennis is more than just a fair weather hobby. It can be a fantastic lifetime sport but does contain quite a lot of technical and tactical information, that does not restrict other sports. Because of this, repetition and practice become even more vital. Not playing for several months a year will undo the hard work that players put in throughout the summer and will leave them having to relearn rather than continue their development.

New players are invited to book a trial session, providing a chance to ensure that they like it before booking in for the term!

For more information and to view the coaching sessions available please visit www.teachmetennis.co.uk or phone 01491 728080.
