

RECYCLE ITEMS FOR FREE

Recycle Items for Free is run by the Sampford Peverell and District Sustainable Villages Group. It is a way of recycling unwanted things for free. If you have anything you wish to have recycled to a good home then let me know and I will advertise it with your telephone number in the local parish magazines. NB If you don't find a new home for your things let me know and I will put it in again the next month. If I don't hear anything I will assume it has new owners. Please let me know when you find what you are looking for in the **wanted** column.

My number is **01884 820256** or email: tactdevon@gmail.com **note new email address**
