11.4. Sawley Arts Group. An email has been received and this was further explained by Councillor Kitchen. SAG is exploring the possibility of installing a “Human Sundial” on the Sawley village green. The purpose of the email was gauge the Parish Councils reaction to the proposal. If the Parish Council feels that this is a good idea, in principle, then the group will prepare detailed plans. The Council felt that it was a good idea, subject to seeing detailed plans. Safety and planning permission should be considered. Could this be done on the village green?
