

Epsom RDA

Clothing Catalogue 2013

Welcome to our new range of clothing

We are delighted to make this new range of clothing available through the good offices of **Lester Bowden**. In this catalogue, you will find details of the range we are now able to offer, together with photographs which we hope will give you a good idea of what the clothing looks like when worn.

We are starting with items which we think will have most appeal. But at the back you will see that we will be intending to expand the range as the evenings start to draw in and also in spring next year.

Our new range of clothing is much bigger than previously, which was confined to a polo shirt and a sweatshirt. The new range not only has many more items but also includes where possible both ladies and unisex fits. Therefore there are many more potential items that could be ordered – far more than we have the capacity to handle. So we have been very pleased to join up with Lester Bowden, well known to most of you as consistent supporters of our work for many years, who will be handling the ordering and purchasing for us. This also means that you will be buying directly from them, so if you find that you buy the wrong size, for example, they will help you to find something more suitable

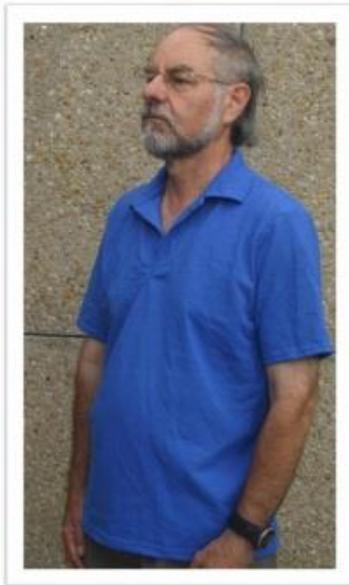

The sizes and descriptions are as provided to Lester Bowden from their suppliers or manufacturers. So if you are not sure what size is best for you from the descriptions we have been able to provide, Lester Bowden will be happy to help. Our range of clothing will be supplied through their Riding Department, if you want to call in.

We hope you will like the range you will find in the following pages. Remember that in purchasing and wearing this clothing you are directly helping to support the work that we all do. As with the previous range, we have set our prices so as to cover the cost and provide a small profit to Epsom RDA out of each sale. However, if you want to help some more, the donations box is always open to receive your offerings!! But just as importantly, by wearing our clothing as you go about whatever you get up to when you are not here, you help raise our profile in the community.

So please browse the clothing range on the following pages. At the back you will find details of how to order. You can also inspect samples of the new range – just ask your session leader.

[And we know the male model's not very good – just the best we could get at the time!]

Ordering Procedure

To launch our new range, we are going to send in a bulk order to Lester Bowden. This will help them to start the process of ordering the embroidering of the logo onto the various items and build up stock levels for the future.

You will find order forms in an envelope on the notice board in the coffee room or available to download from our website www.epsomrda.btck.co.uk. Please indicate what you want to buy and put your form in the Fundraising box with your cheque. For this phase, we can only accept cheques, which must be made payable to 'Lester Bowden' **and to avoid confusion please put both your name and session on the back.** On 28 August, we will be sending the first orders to Lester Bowden and we expect to receive the orders back at St. Ebba's Farm around 20 September. We will send another order in September.

You will be able to order directly through Lester Bowden, either on line or through the Riding Department in Epsom, later this year. We will be giving more details of how this will work in the autumn. From then on, this will be the only way to order from this new range and also items which we later add to it.
