Hassocks Amenity Association, 1st Hassocks Scouts and Light Up Hassocks volunteers are working together to raise additional funds for the benefit of the local community

- **Who will benefit?**

All proceeds, after administration costs and prize money allocations, will be shared equally between the community groups involved:

1. Hassocks Amenity Association (HAA) has worked since 1968 for the benefit of the villages of Hassocks, Keymer and Clayton. Notable successes have been the lobbying for a new railway station, the initial work to save Oldland Mill and on-going involvement in protecting and enhancing our local environment and amenities.

Through the additional proceeds raised from this lottery we will support the families of the young people by reducing the costs of these activities.
