Membership of the Ruislip, Northwood and Eastcote Local History Society is open to all who are interested in local history. For further information please enquire at a meeting of the Society or contact the Membership Secretary. Meetings are held on the third Monday of each month from September to April and are open to visitors.

An active Research Group supports those who are enquiring into or wishing to increase our understanding of the history of the ancient parish of Ruislip (the present Ruislip, Northwood and Eastcote). Its members are largely responsible for the articles in this Journal, and for other Society publications that are produced from time to time.
