Please note that some dates, times, ages & venues may vary from those printed so please check with individual managers or alternatively contact the Play scheme Co-ordinator Valerie Mohammadi
[07941571438](tel:07941571438)

All of our play schemes go through the LBH Quality Framework and so all our schemes comply with the good practice guidelines laid down by LBH and Ofsted.

At present, **only Star Club** at Barnhill Community Centre is registered with Ofsted. It has a higher ratio of qualified staff which enables Star club to care for children who may have additional needs

Inclusion

Hillingdon Community Play Schemes are committed to offering inclusive services to as many children as possible; therefore we are obliged to ensure the safety and care of **EVERY** child attending a scheme.

If your child has specific needs such as learning or mobility difficulties, medical conditions or sensory impairments please advise the play scheme leader prior to booking a place for your child.

Funds

As our funds are very limited we may not have adequate staff if your child needs 1 to 1 care but you would be welcome to accompany them providing relevant checks have been made.

If anyone knows of a business that would be willing to sponsor us please contact Valerie Mohammadi on [07941571438](tel:07941571438).

For news of other full time schemes contact the Children's Information Service at the Civic Centre on [0800 0734800](tel:08000734800)

Hillingdon Play Schemes

Summer 2016

Occupying children over the long summer holidays can be exhausting and expensive however. The Hillingdon Federation of Community Associations runs holiday play schemes for one or two weeks in the summer holidays in Community Centres across the borough. They are run at an affordable cost as they are part funded by the London Borough of Hillingdon. Our play schemes offer exciting play opportunities in a safe and stimulating environment for children.

The play schemes includes a range of workshops from arts & crafts, games, sports activities, music, drama as well as visiting entertainers. Outings are often included at some of the schemes, but could require an additional cost.

Children need a packed lunch for full day schemes and there is usually a tuck shop mid-morning or afternoon for snacks.

Ages range from 4½ to 13 years but some schemes may take children slightly older if places are available.

Hillingdon Play Schemes

Summer 2016

Occupying children over the long summer holidays can be exhausting and expensive however the Hillingdon Federation of Community Associations runs holiday play schemes for one or two weeks in the summer holidays in Community Centres across the borough. They are run at an affordable cost as they are part funded by the London Borough of Hillingdon. Our play schemes offer exciting play opportunities in a safe and stimulating environment for children.

The play schemes includes a range of workshops from arts & crafts, games, sports activities, music, drama as well as visiting entertainers. Outings are often included at some of the schemes, but could require an additional cost.

Children need a packed lunch for full day schemes and there is usually a tuck shop mid-morning or afternoon for snacks.

Ages range from 4½ to 12 years but some schemes may take children slightly older if places are available.

Holiday Play schemes in Community Centres and other Community Buildings

Aims

Our aim is to provide affordable and accessible holiday fun for children in the local area. We provide a stimulating and fun time with the opportunities for children to experience new activities and to gain confidence through play and social interaction in a secure, friendly and relaxed atmosphere.

Background to schemes

HFCA Play schemes is in its 22nd year and has now expanded to cover 10 community centres across the borough providing 14 weeks of play across Hillingdon in total this summer.

Type of Service

Schemes are usually run from 9.30am to 3pm or 10.00 to 3.30pm. We do not provide a longer day as the schemes are meant primarily for holiday fun for children in the area and not as a child minding service. Costs may vary at different schemes so please contact the managers directly for more details.

Staffing Structure

Each play scheme has a qualified Level 3 Play Manager and a staff ratio of a minimum of 1 to 8 children. Most of our staff already work in schools during term time as teachers, classroom assistants, nursery staff & students who are training to work in childcare & have experience of working with children.
