## **Peasmarsh Recreation Grounds. PUBLIC MEETING**

It was good to get feedback from the last Periodical coming into the facebook page (Peasmarsh Village NEW Recreation Ground) and to know that many of you do care and take an interest in the grounds

You can always talk to us via fb, but we would like to be able to have a proper discussion with you. We will be opening our next meeting to the public.

**This will be at the Pavilion at 5pm on Thursday, June 7<sup>th</sup>.**

Come along and let us have your views.

Don't worry if you have children you can't leave at home. Just bring them with you.

**Peasmarsh Flower Festival.**

*Deirdre Bull would like to give huge thanks to those who supplied and arranged the very beautiful flowers; to Audrey Dent and her rota of helpers and cooks for the refreshments; to Heather Fooks and those who supported the plant stall by bringing and/or buying plants; to Pam Colegrave for staying at her station in the Children's Corner for almost the entire Bank Holiday, to the stewards and those who performed all the 'odd jobs' that seem to arise when such a major event is held and to Lovat Bonnet for organising and presiding over the raffle, which was drawn on Monday evening at the close.*

*After his marathon weekend behind the table selling tickets, nearly £900 was raised! Initial figures indicate the following takings: Refreshments £810.00, Plants Stall £294.00, Raffle £892.00 and Donations Jar £353.48.*

**Peasmarsh Chamber Music Festival.**

According to one of our leading national newspapers last weekend our Chamber Music Festival is "the first of the 'must hear' events of the summer!"

What an accolade for our local festival which is celebrating its 20<sup>th</sup> year !

It's not too late to book for some of the concerts, although the most popular ones have already sold out. [peasmarshboxoffice@gmail.com](mailto:peasmarshboxoffice@gmail.com) . Brochures in the church

The food is also of a very high standard.

If you have never attended this festival before, why not give it a go ?

**Cutting the verges.**

It appears that Rother will be reducing the number of cuts our verges will be getting this summer. In some places the grass is already tall enough to make it difficult to see approaching traffic. If you are driving out onto the A268 from one of our side roads please take extra care and make sure there is nothing coming !

*(e.g. Turn off the music & open the window)*
