Recreation Ground

A big "Thank you !" to everyone who turned up and got to work on the pavilion. We may not have been able to get all the jobs done, but everyone agrees that there has been a vast improvement in the look of the place.

The new goalposts for "kickabout" use should arrive soon and there is a chance that we might soon have a Saturday football team again.

MUSIC AT PEASMARSH

For the last couple of years the Friends of Peasmarsh Parish Church have not been able to offer the May Bank Holiday concert and supper which Peasmarsh patrons have enjoyed for so many years.

This year, on May 7th, the Celan Quartet will be performing Haydn, Mendelssohn and Shostakovich in the Church. Tickets are £12 and £8 and the buffet supper, £15. Brochures and booking forms are available at the church or from Jennifer Als. Tickets are available from Robin Thompson at Stream Farm house.

ANNUAL PARISH ASSEMBLY

Every year this meeting is held in April. The Chairman of the Parish Council reports to the public on the activities of the past year. All residents can come and ask questions, make suggestions, or just find out what the Council has been doing.

Following the recent tragic fatality at the junction with Tanhouse Lane it has become obvious that many residents are unaware of the Council's work over the past years to try to introduce more traffic calming measures. Please come and talk about it.

This years Assembly is on April 25th at 7.30pm at the Memorial Hall.

Refreshments will be available.

Final plans for the refurbishment of the hall will be on display.

Your District Councillor will be present to answer questions related to Rother D.C.

We hope a representative from Youth in Motion will be present to discuss an exciting new summer project for young people.

Please come, whether you are 18 or 80 !

Peasmarsh Revived

Peasmarsh Memorial Hall Refurbishment Project

Before the next Periodical is published our third and final stage bid for Big Lottery Funding for this project will have been submitted.

It is difficult for anyone who has not been involved to recognise the enormous amount of work which has gone into all three stages – but in particular into stage 3.

We have been really fortunate in that we have been able to call on steering group members, advisers and other professionals with extensive expertise, and that all these have been willing to give so freely of their time and efforts.

All being well, we shall know the result by August, and if the news is good building work should start by October.

If you haven't seen the latest plans, come and have a look at them at the Parish Assembly. They are exciting !

We are working with the Recreation Ground Committee to provide suitable alternative accommodation for the present users of the hall while the work is being done.
