## The Rye 10 Road Race

This will be the third running of this race and it will be taking place again on Sunday 25th May at 10:00 am

Once again we are looking for people to volunteer to act as marshals and help man water stations during the running of the race. The marshals help ensure runners safety and well-being by managing road junctions and manning water stations on the route.

Volunteers are also needed to help manage the car parking, handing out medals at the finish (something for the Peasmarsh youngsters!) and of course clearing up during and after the event.

This prestigious Sussex Grand Prix road race now attracts over 200 runners and has now become an annual event.

As there will be many jobs to do to make the race run smoothly we will need as many volunteers as possible. This is a great opportunity for Peasmarsh so please get involved by offering to help.
